CITY MANAGER

MAYOR

DEPARTMENT OF POLICE

### TO STUDENTS PLANNING TO VISIT DAYTONA BEACH:

Our city is a resort center and our economy is dependent upon the image we present to the tourist. We encourage and welcome visitors and are proud to be host to thousands of tourists each year. In order to maintain a community you will enjoy visiting, and that our citizens will be proud to reside in, we have certain rules and regulations that must be observed.

In the past, many students have been arrested for failing to observe these rules and regulations. While most of these arrests were the result of carelessness or thoughtlessness on the part of the student, some could be attributed to ignorance of the law. In an effort to reduce the number of such instances we are listing below some of the rules and regulations that are included in our City Ordinances as laws. These laws are not directed at any specific group of people, but are laws that everyone residing in or visiting our community must obey. In the interest of brevity, these laws are listed as "DO NOTS":

1. DO NOT DRINK INTOXICATING BEVERAGES ON OUR STREETS, SIDEWALKS OR ON THE ATLANTIC OCEAN BEACH. (This latter section is given special emphasis since it is the result of a new law which became effective in October, 1966, and makes illegal an act that previously was legal.)
2. DO NOT HAVE INTOXICATING BEVERAGES IN YOUR POSSESSION IF YOU ARE UNDER 21 YEARS OF AGE NOR ATTEMPT TO OBTAIN ANY BY USE OF FALSE IDENTIFICATION.
3. DO NOT START FIRES ON THE BEACH OR ON ANY OTHER PUBLIC PROPERTY.
4. DO NOT MARK YOUR CAR WITH ANY WRITINGS, DESIGNS, FIGURES OR PICTURES THAT COULD BE CONSIDERED OBSCENE OR INDECENT, NOR DRESS IN A MANNER THAT COULD BE SO CONSIDERED.
5. DO NOT TRESPASS ON PRIVATE PROPERTY SUCH AS MOTELS OR HOTELS WITHOUT THE CONSENT OF THE OWNER OR MANAGER, OR GATHER IN CROWDS ON PUBLIC PROPERTY SO AS TO OBSTRUCT THE FREE FLOW OF VEHICULAR TRAFFIC.
6. DO NOT DRINK TO SUCH AN EXTENT THAT YOU BESOME INTOXICATED.
7. DO NOT LITTER THE BEACH OR STREETS WITH RUBBISH.
8. DO NOT USE PROFANE AND INDECENT LANGUAGE IN PUBLIC.
9. DO NOT INJURE OR DESTROY EITHER PUBLIC OR PRIVATE PROPERTY.
10. DO NOT ATTEMPT TO CAMP OUT ON THE BEACH WHILE YOU ARE HERE.

All persons arrested for crimes other than traffic violations are fingerprinted and photographed and copies are sent to the FBI in Washington. Later, when such persons attempt to obtain employment or officially enter a profession, this record will come to light and may well be the cause of failing to obtain the position sought. We frequently receive letters from young people who were arrested here, requesting that the record of their arrest be destroyed so that they will be accepted for whatever position they are applying. Unfortunately for those concerned, such action is impossible.

The people of the City of Daytona Beach will be happy to have you visit here at any time. All we ask is that you obey and respect the rights of others as we are sure you do in your home town.

## Seniors Pick White House Inn For Graduation

BY SALLY HAGOOD

The Senior Class met last Wednesday to decide on a (recommendation) to a site for graduation. At the previous meeting, President Mke Thomas had appointed Joe Sabatini the Chairman of a committee to study all possible sites for graduation in the area. The

possible sites included local high schools, churches, UNC-C and several hotels.

The locations finally selected by the committee as having enough space for parking as well as seating were Park Center and the White House Inn. This campus was excluded due to the limited seating

space.

Mr. Sabatini reported to the class that the Park Center would hold 2000 people and cost \$200. The White House Inn would hold 21000 people and cost \$1000. During a discussion period, it was learned that we could obtain the White House Inn for \$500 if a

stage was provided.

Dr. Witherspoon was asked to speak on the other expenses incurred in a graduation after a location was chosen. These included music, flowers and expenses of several members of the platform party.

After all things were considered,

the class voted to recommend the White House Inn to the Commencement Committee at a cost of \$500 with a stage provided by the class.

The Commencement Committee will meet next Tuesday to decide on the Senior Class recommendation.
