

Sasser Starts SCL On Campus

BY GAYLE WATTS

A promising new chapter of the Senior Classical League (SCL), an organization which promotes the study of the classics on the college level, has been begun on campus through the efforts of Frank Sasser, a freshman from Charlotte, and Miss Linda Fowler of the history department.

"Since we do not have a classics department on our campus yet, SCL provides our only means of spreading knowledge of the classics," says Frank.

At the state meeting of SCL in Chapel Hill on March 18, Frank was elected North Carolina Vice-president - Parliamentarian. He is planning to attend the SCL convention at the University of Arizona from July 30 to August 3. It is open to all SCL members.

The club has had several very successful programs already this year with good response from the student body. Dr. Dan Morrill has spoken on Russia, Dr. John Robbins on Thucydides, Miss Maud Gatewood on Florentine art, and Mr. Michael Brantley on the Heliocentric and Ptolemaic systems of the universe in Milton's Paradise Lost.

Miss Fowler and Sandy Hoover, a sophomore from Mount Holly, have planned these programs and are now working on those coming up this semester.

One of the most exciting events being planned by SCL is a Roman banquet to be held in the latter part of this month. The dress and food will be Roman and the party will take place on the bank of the campus lake. Any one interested is invited to attend the social.

The club is expanding and welcoming new members at any time. The meetings are held on Wednesdays at 11:30 a. m.

22 January 1964

SUBJECT: Letter of Appreciation
To: Specialist Fourth Class John O. Gaither III

I would like to take this opportunity to express my appreciation for a job well done. Since your arrival here at this unit in April 1962 you have consistently proven yourself an outstanding soldier both on and off duty.

I have never hesitated to give you a difficult assignment because I know that the job would be well performed and completed to the satisfaction of all concerned. You have proven your versatility to me many times.

You have manifested your interest in your fellow soldiers by your off duty activities. It is my opinion that you are largely responsible for the outstanding Armed Forces Motion Picture Service Theater which we have at this unit library.

You are a credit to your Country, and your parents and friends can be justly proud of you. My only regret is that I could not influence you to make the Army a career. I wish you good luck in all your future endeavors.
