

Charlotte Thinclads Shock Strong St. Andrews

BY JOHN LAFFERTY
The track team completed in its first conference meet Monday, March 27, against St. Andrews in Laurenburg.

St. Andrews, which finished second by one point in the 1966 DIAC tournament, defeated the Forty-Niners 74 to 32, but was shocked by some of the opposition they met.

The Forty-Niners took three first places to the Knights' thirteen. Maurice McClettie opened with a 19' 11 1/2" leap in the broad jump. Larry McAfee came from 15 yards behind in the 880 yard run to beat one of the top runners in the conference, and finished 2:03.4, one tenth of a second off of the DIAC record.

The mile relay team, in the last even of the meet pulled an upset victory over the record holding, and 1966 championship team with

a time of 3:40.8. Woody Frick opened, ran even with his man, and handed off to McClettie who fell behind, but regained his lost distance before passing the baton to Larry McAfee.

McAfee gave the Charlotte its first narrow lead, and handed off to John Lafferty, who held the lead, and finished two second ahead of St. Andrews.

Charlotte added five second place finishes. Ben Basinger led with a 5 ft. 6 inch high jump. Lafferty had a 5:00 mile, Mike Ridge had a 10:57 two mile, and Harold Cohen placed second in both the 120 yd. high and 330 yd. low hurdles. In the 330 yd. lows, he missed first only by four tenths of one second, because of a stumble on the final hurdle.

Harold Pulley added two thirds, one with a 33 ft. 4 3/4 inch shot put and the other in the discuss

with a throw of 94 ft. 9 inches. According to Coach Steels, Charlotte was badly hurt by two events it was unable to enter, and by the fact that the team lacks depth.

"Even if we took a first, for five points, St. Andrews was assured of a second and third, for a total of four points," he said.

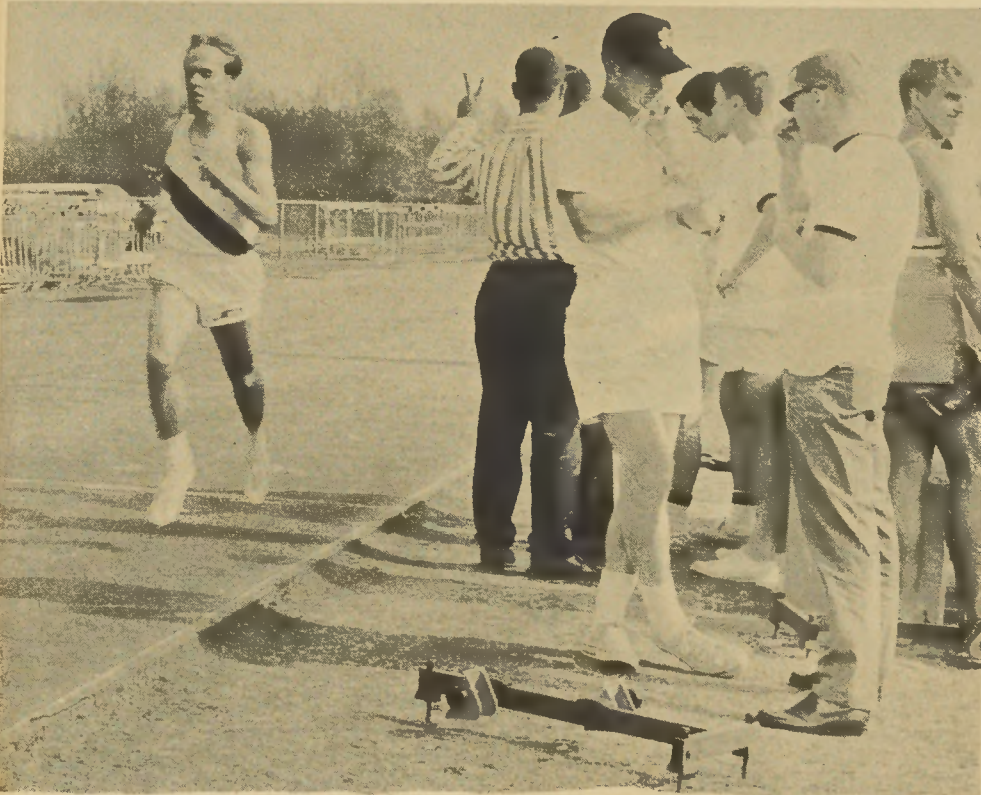

boys around the team might gain more depth, and score higher.

"We are definitely looking forward to our meet April 6 at St. Andrews," Coach added.

Experienced Maroons Maraud Outmanned Forty-Niner Duffers

BY PAUL BOSWELL

The St. Andrews golf team handed the Forty-Niners a 19 1/2 to 1 1/2 loss Friday in a DIAC match at Cedarwood Golf Course.

The Maroon's returning lettermen proved to much for the Forty-Niners who have only 2 returnees on the squad.

The golfers were beaten by what Rick Holt called, "A real good and experienced golf team." They are currently leading the conference standings.

Mike Thomas, John McQuay, Sam Rankin, and Frank Hallman

were all blanked by their men in the match.

Rick Holt picked up a point in his match by bettering his man on the back nine. Dave Cotter rounded out the Charlotte scoring by tying his opponent on the back.

Commented Captain Dave Cotter, who had a 79 to lead the team, "we need four men who can break 80."

Interested golfers are urged to contact Dave Cotter or Rick Holt. Added David, "We're hurting for 70 shooters."

Netmen Knuckle Under Twice Show 'Good Bit Of Improvement'

BY DONNA HUGHES

The Forty-Niner netmen received two losses during the Easter holidays, falling 9-0 to both St. Andrews College and College of Charleston. Both were Dixie Conference matches.

"I can readily understand why St. Andrews is first in the conference," said Coach William Walker. "They have a lot of depth and are experienced because they have already played several matches this season."

The team showed a "good bit of improvement" in the match with College of Charleston, he said, "especially due to the efforts of Spencer Edwards who played well for us."

There have been several last minute additions to the undermanned tennis squad, including Joe Wilson and Ronnie Payne.

"I really expect a lot from Ronnie," Walker explained, "because he works hard and has a lot of ability and hustle."

The fuzballers' next match will be April 7 with Pembroke.
