Talk About School Spirit... He Lost His Head .uh, Hair !!

BY KAY WATSON

Go ahead and blame it on the basketball team. . .It's all their fault anyway. Mark Conrath, a sophomore from Yonkers, New York, made a bet that the UNC-C team would win in their first game against UNC-G. Although the details of the bet are not known and will never be disclosed, Mark made a deal to shave his head if the team lost. He came through, hair intact, and being the loyal manager that he is, he made the same bet on the next Lynchburg game. If you've seen Mark recently, it is quite ob-

vious that the team lost the game.

The "job" was done by Art Gentile and Fred Jordan, "friends" of Mark's, and they only knicked him a few times. But an application of first aid cream soothed his aching head.

From that time on, he has been called almost everything. Descriptions vary from an "albino bowling ball" to an "American hairless." Rumor has it that a "nearsighted honeydew melon even fell in love with him." He was given a package of Midnight Sun

for a Christmas present. And he has been challenged by the White Knight who thought that he was Mr. Clean.

Mark has enjoyed his new image; he says it gives him complete freedom. During his visit hom for the Christmas holidays, nobody recognized him.

This is the story of a loyal basketball team supporter. But just for the record, Mark says if he had it all to do over again (and had a full head of hair to start with), he probably wouldn't make the bet again. . .

Motor Vehicle Registration Fee Is Likely Need For More Parking Space Demands Money

BY PATRICK McNEELY

The University Board of Trustees will meet and consider a resolution authorizing a motor vehicle registration fee for campus parking. This proposal, to be discussed at a January 12 meeting, originated from the Chancellor's Committee on Traffic and Parking which is made up of students and faculty members and is chaired by Dean MacKay.

The resolution reads as follows:

WHEREAS, the 1967 General

Assembly did not provide appropriated funds requested for new parking areas but authorized such projects to be self-liquidated, and

WHEREAS, additional parking areas will be needed in the future for commuting and residential students, and

WHEREAS, no parking fee is charged at the present time and it is desirable to assess a motor vehicle registration fee against each student, faculty member, staff member, and employee of the University of North Carolina at Charlotte for the purpose of accumulating funds to be used for new

parking areas, and

WHEREAS, the assessment of this fee has been carefully considered by the Chancellor and Business Manager of the University of North Carolina at Charlotte and the President and Assistant Vice President and Treasurer of the University of North Carolina and is recommended by them as being in the best interest of the University:

NOW, THEREFORE, BE IT RESOLVED that the Executive Committee of the Board of Trustees of the University of North Carolina authorize a motor vehicle registration fee for the University of North Carolina at Charlotte to become effective with the 1968 spring semester as follows: \$10 per calendar year beginning on September 1;

\$6 for the period February 1

to September 1;

\$4 for the period June 1 to September 1;

\$1 for one additional motor vehicle.

If this proposal is accepted the funds will be used to maintain the present parking lots and to provide the new ones which will be vitally needed when the dormitories are built.

Each parking space costs over \$100 and each needs continual periodic maintenance. Some of the

funds would also be used to hire traffic control personnel which is a need on this campus.

Book Exchange Held On Two Registration Days

The Business Club is sponsoring a book exchange on the two registration days: Thursday and Friday, January 25 and 26. The hours of the exchange will be from 9:00 a.m. to 8:00 p.m. on Thursday and 9:00 a.m. to 6:00 p.m. on Friday. It will be held in rooms U-209 and U-210 in the Union Building.

Students wishing to sell, swap, or buy books will be admitted on the exchange floor. The price of admission will be 25¢. While on the floor of the exchange, the students will be allowed to sell, swap, or buy from the other students any number of books he wishes. Business Club members will be present to help students with their transactions.

The Business Club will not keep unsold books for later sale. If buyers cannot be found, the Club

will LIST (name, phone number, and price of book) any student's book. The charge for listing will be 10¢ per book. This list of unsold books will be posted on the Union bulletin board after the exchange closes. It will also be available to people on the exchange floor during the hours that it is open.

A list of books required for various courses will be available. Each student should be careful to buy the correct book.
