Institute Of International Education Opens Competition For Grants Abroad To B.A. Holders

On May 1st, the Institute of International Education will officially open its competition for 1969-70 United States Government and foreign graduate grants for academic study or research abroad, and for professional training in the creative and performing arts.

IIE annually conducts competitions for U. S. Government scholarships provided under the Fulbright-Hays Act as part of the educational and cultural exchange program of the U. S. Department of State, and for grants provided by various foreign governments, universities and private donors. Under these programs, more than 950 American graduate students will have an opportunity to study in any one of 50 countries. The purpose of the grants is to increase mutual understanding between the people of the U. S. and other countries through the exchange of persons, knowledge and skills.

Candidates who wish to apply for an award must be U.S. citizens at the time of application, have a bachelor's degree or its equivalent before the beginning date of the grant and, in most cases, be proficient in the language of the host country. Selections will be made on the basis of academic and/or professional record, the feasibility of the applicant's proposed study plan, language preparation and personal qualifications.

For U. S. Government grants, preference is given to candidates who have not had prior opportunity

for extended study or residence abroad, with the exception of those who have served in the armed forces. For foreign grants, applicants who have had extensive previous foreign experience are at a disadvantage but are not disqualified for this reason. For all grants, preference is given to applicants between the ages of 20 and 35.

Creative and performing artists will not be required to have a bachelor's degree but they must have four years of professional study or equivalent experience. Applicants in the field of medicine must have an M.D. at the time of application.

Two types of grants will be available through IIE under the Fulbright-Hays Act: U.S. Government Full Grants, and U. S. Government Travel Grants.

A full award will provide a grantee with tuition, maintenance for one academic year in one country, round-trip transportation, health and accident insurance and an incidental allowance.

Countries participating in the full grant program will be: Argentina, Australia, Austria, Bel-

gium-Luxembourg, Bolivia, Brazil, Ceylon, Chile, China (Republic of), Colombia, Costa Rica, Denmark, Ecuador, El Salvador, Finland, France, Germany, (Federal Republic of), Greece, Guatemala, Honduras, Iceland, India, Iran, Ireland, Italy, Jamaica, Japan, Korea, Malaysia, Mexico, the Netherlands, New Zealand, Nicaragua, Norway, Paraguay, Peru, the Philippines, Portugal, Spain, Sweden, Thailand, Trinidad, Turkey, the United Kingdom, Uruguay and Venezuela.

For holders of grants to Australia, Ceylon, China (Republic of), Finland, Germany, India, Japan, Korea, Norway, Poland, Portugal, Romania and Turkey, a maintenance allowance will be provided for one or more accompanying dependents.

A limited number of travel grants is available to supplement maintenance and tuition scholarships granted to American students by foreign governments, universities and private donors. These are to Austria, France, Germany,

Israel, Italy, Poland, Romania, Spain, Sweden, Turkey and Yugoslavia.

The foreign grants are available for Austria, France, Germany, Iceland, Israel, Italy, Mexico, Poland, Romania, Sweden, Switzerland, Tunisia, Turkey and Yugoslavia.

Application forms and information for the students currently enrolled at UNC-C may be obtained from the campus Fulbright Adviser, Dr. R. W. Rieke. The deadline for filing applications through

the Fulbright Adviser on this campus is October 1, 1968.
