

# 49'ers Place Second In DIAC Meet

Fleming takes conference title in the mile.

## Team Gets Six Firsts, Dominates Distance Runs

By LARRY McAFEE

The track team capped its second season with a second place finish in the DIAC track and field championship meet Monday, April 29. The team scored 6 firsts, 7 seconds, 5 thirds, and 6 fourths to compile 68 points, nearly twice as many as last year. The final score was Lynchburg 82, UNC-C 68, St. Andrews 40. The College of Charleston and N. C. Wesleyan had planned to enter teams, but failed to show up for the meet.

The 49'ers completely dominated the distance runs (440, 880, mile, and three mile). They took first place in all four of these events and outscored their opponents 27-16. The field men made their best showing of the season and scored 20 points in comparison to Lynchburg's 29 and St. Andrews 28. The weak spot for the 49'ers was the sprints where they were outscored 20-2 by Lynchburg. Lynchburg took the first three places in both the 100 and 220 yd. dashes.

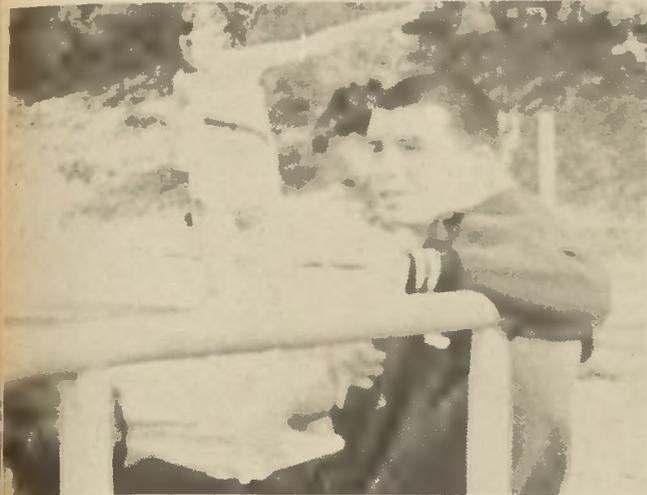

Marty Fleming led the UNC-C distance men by taking two firsts and one second. He outdistanced the competition in both the mile and three mile runs and finished a close second in the 880. His time was 15:58 set a DIAC record in the three mile run. John Laf-

ferty and Larry McAfee successfully defended their 440 and 880 championships respectively. Both bettered their times from last year. Lafferty won the 440 with a time of 51.6. McAfee's 2:01.4 set last year. Mike Ridge took a third in the 3 mile run and fourth in the mile. Jerry Dawson competed in five events and placed in each. He finished second in both the high hurdles and 440 hurdles. He also ran a leg of the championship mile relay team. Gary Cress, Larry McAfee, and John Lafferty completed the team. These same four ran the 440 relay team which finished second.

Ben Basinger and Gary Cress led the field men to an impressive showing. They finished first and second in the triple jump and second and third in the broad jump. Basinger competed in five events and successfully defended his DIAC triple jump crown with a jump of 41'8 3/4". Cress competed in 7 events and placed in all but one. The remainder of Charlotte's points in the field events were scored by David Corry and Pete Donahue. Corry took second place in the pole vault and fourth in the shot. His vault of 11'6" tied his school record. Donahue finished fourth in the discus, but took third in both the hurdle events.

The 49'ers are a much improved team over last year's edition. No team members are graduating so the team should prove strong next year. With some added strength in a few events, the team should be a strong contender for the championship next year.

Eddie Frias, winner of 1968 49'er Spirit Award.

Eddie Frias, a freshman engineering student, is the recipient of the 2nd annual 49'er Spirit Award. This award is presented by the track team to a member of the team who "embodies the spirit of the 49'er: a willingness to give time and energy, to sacrifice and to work for the goal of a better track team." He has been honored by his teammates because he has given the most of himself with the least thought of personal reward or glory." Eddie truly does embody this spirit which has led the UNC-C track team to 2nd place in the DIAC. For this reason, the Carolina Journal would like to salute Eddie for his efforts.
