49ers Top St. Andrews

After a dismal beginning in Kentucky last week, the UNC-C cross-country team opened their home season with a 26-30 victory over St. Andrews College. Over forty spectators turned out to cheer the 49ers to their first

victory. Thus far the team has compiled a 1-4 overall record and a 1-0 conference record. This victory has given the team added incentive to work towards UNC-C's first conference championship.

Mike Ridge held the lead for most of the five mile distance and finished first with a record time of 33:29. Larry McAfee finished 31 seconds behind Mike to take second place for the 49ers. This duo was followed by three runners from Saint Andrews. Following this group was Bill Lynch, 6th place; Red Griffin, 5th place; Jerry Anthony, 9th place; Ed Echeverra, 10th place. All the harriers bettered previous times

on the course by at least 2 minutes.

Coach Flemming was very pleased with the effort that the team gave, but reminded everyone that this meet was only the beginning. He plans to work the team hard and try to prepare for next week's match with Davidson College. The Coach feels that the team has shown much improvement, but still has a long haul to go.

Harriers Suffer On Road Trip

The cross-country team journeyed to Kentucky Sept. 19-21 only to suffer a crushing defeat by four teams. The 49ers were defeated score-wise, but their spirit wasn't dampened by the losses. The runners are confident that they can make a comeback and be in contention for the DIAC championship.

The harriers left Thursday night for Berea, Kentucky to run a dual meet. After an overnight stop in Nashville, they continued their trip to Berea which took 7 1/2 hours to complete. The 49ers suffered a 9-47 setback on Berea's course which was mostly asphalt. Mike Ridge led the team over the 3.5

mile course with a second place finish only a scant 6 seconds out of first. Larry McAfee and Billy Lynch were the only other 49ers to finish in the top 10 with 7th and 10th places respectively. Friday night, the team ate at the Boone Tavern compliments of our Chancellor, a graduate of Berea College.

Saturday, the team traveled on to Morehead, Kentucky to run against the University of Kentucky, Morehead State University, and Cumberland College. The harriers again came out on the short end of this meet and finished fourth. Team totals were Kentucky 27, Cumberland 31, Morehead 100, UNC-C 127. The competition was very strong, but the 49ers were also tired from the traveling and from the jogging they did three minutes before the meet in order to see the course.

The trip was disastrous as far as the defeats, but the runners gained much needed spirit and team unity. Only five team members made the trip to Kentucky, but the team has grown in size and now numbers eight runners.

Doug Brafford has been appointed to serve as student representative to work with Vice-Chancellors Cone and McEniry in the development of the academic calendar for 1969-70. Devera Pearson will serve as Presidential appointee to the University Forum Council during the coming year. Earl Baucom and Darryl Scism have been designated to serve on a committee to review the registration procedure of UNC-C. The University Union will be open weekends beginning September 28. Hours will be 12 p.m.-6 p.m. Saturdays and Sundays 2 p.m.-6 p.m.

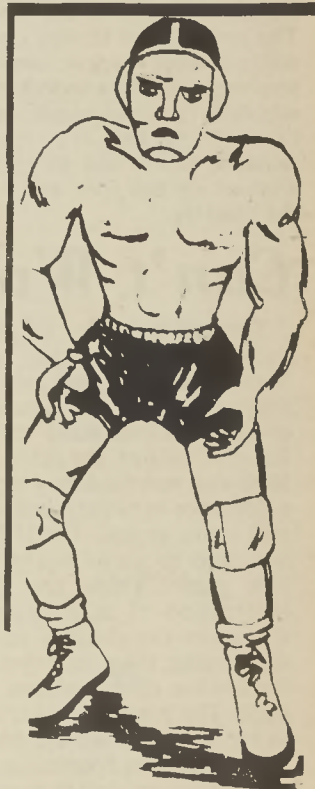

There will be an open meeting of the Ways and Means Committee today at 11:30 in U231. Any students interested in airing grievances, or with a matter that they would like to have brought before the Student Legislature are invited to attend.

There's a group of school spirited girls on campus who are appalled at the apathy of other girls. These girls are trying to instigate girl's intramurals by starting a football team. It will be harmless touch football—but fun! Where's the school spirit in the classes? Any group of nine girls will be welcome. Surely not all the girls on campus are "chicken"! So the T.I.G.E.R.'s challenge any class, club, or "clique." Any interested girls meet this morning at 11:30 in the back lounge of the Union or contact Coach Bostian in E building or Goerge Lloyd (the T.I.G.E.R. coach).

There will be a meeting for ALL persons interested in becoming a 49er wrestler—

Friday, October 4th
12:00 Noon and/or 5:00 P.M.
Room 203, Engineering Building
ALL prospective wrestlers should attend one of these meetings.

If for some reason you will be unable to attend, see Coach Fleming sometime prior to October 4th in Room No. 205, Engineering Building.

Halberstam to Speak Here

David Halberstam, controversial reporter-critic of Vietnam, is appearing today in the Parquet Room at 11:30. He will present a lecture entitled "Vietnam: The Making of a Quagmire."

Although only 33, Mr. Halberstam has the reputation of being "one of America's most distinguished and controversial journalists." Among those who disliked him was the late President John F. Kennedy. President Kennedy supposedly asked Mr. Halberstam's editor to have him return from his assignment in Saigon because the President did not like the type of reports he was sending back to the States.

In 1964 he won the Pulitzer Prize for his coverage of the war in Vietnam. He has also received the Louis M. Lyons Award from Harvard University and the George Polk Award. In 1960, five years after graduation from Harvard, he was nominated for his first Pulitzer Prize for his coverage of the war in the Congo. He has written about civil rights, national politics, foreign affairs, and other important issues in America today. Two of his books, THE MAKING OF A QUAGMIRE and ONE VERY HOT DAY, have been published. A third, about Robert Kennedy, is in the making.

Mr. Halberstam has been with the New York TIMES since 1960. He is also a contributing Editor to Harper's Magazine.
