

Caldwell Leads Cheerleaders at UNC-C

There is a dedicated group of students wearing green and white at the basketball games. These students show their school spirit by giving vocal support, arousing the spirits of the crowds and the team. The energetic students chosen for this important job this year are the following:

Vicki Lynn Caldwell (head cheerleader). Vicki is a Sophomore sociology major from Charlotte's Myers Park High. She is the daughter of Mr. and Mrs. M. D. Caldwell, Jr. of 941 Habersham Drive. She gained valuable experience from membership on last year's cheerleading team.

Among her likes she lists basketball, cheering, and Thomas Hardy. Her dislikes include pro basketball and phonies.

Jeri Westberg, a 19-year old graduate of Charlotte's

Independence High School is the co-head cheerleader. This Sophomore Spanish major now

lists Charlotte as her home, but is originally from Milwaukee, Wisconsin. The daughter of Mr. and Mrs. Charles A. Westberg, Jr., has had experience of one year of cheering and two years of being a letter girl. She lists her likes as Swimming, boating, diving, skiing, horseback riding, roller and ice skating, dancing, and cheerleading.

William Nawrot Bell is a Freshman mechanical engineering major from Raleigh's Needam Broughton High. He is the son of Dr. and Mrs. William C. Bell of 3044 Lewis Farm Road. This 5'8" freshman tends to engineer the masculine influence that has been lacking on the cheerleading squad. Jimmy Cory is a 20-year old Junior biology major from

Monroe High School. He lists his home as Monroe, North Carolina where he is the son of Mr. and Mrs. Don Cory. He is 5'11" tall and likes music and sports.

A graduate of Savannah High School, Sharyn Solomon is a 20-year old Sophomore English major. Her experience includes three years of high school cheering. She is the daughter of Col. and Mrs. Edward T. Solomon of 3131 Broodridge Lane in Charlotte. She lists her likes as cheerleading, singing, dancing, and sports.

A Charlotte native, DeeDee Vaughan is a Sophomore French major who has had two years of cheerleading experience. This 5'6" 19-year old is the daughter of Mr. and Mrs. R. R. Vaughan, Jr. of 5208 Milford Road. Her likes include cheering, football, basketball, singing, guitar, and dancing.

Phyllis Elaine Smith is a twenty year old Psychology major from Charlotte. She has had three years of cheerleading experience with her five foot frame. She is the daughter of Mr. and Mrs. Stephen C. Smith of 2000 Mecklenburg Avenue. Her likes include cheerleading, most all sports, dancing, and art work.

A graduate of South Mecklenburg, Laura Lee Ladd is an 18-year old Freshman. The daughter of Mr. and Mrs. M. A. Ladd of 4415 University Drive, she has had two years of cheerleading experience. Her likes are cheering, sports, and music.

A Freshman Psychology major, Karen McClure is a native of Gaffney, South Carolina who now makes her home in Charlotte. The daughter of Mr. and Mrs. W. M. McClure of 5816 Brookhaven Road has had no previous experience in cheerleading. She lists her likes as cheerleading, piano, T.I.G.E.R., parties, the beach, and cats (along with her love of moustaches). She hates beer, Lawrence Welk, rain, and fruitcake.

What the Students Read

In answer to a recent query posed by a UNC-C professor, a survey was taken to ascertain the kinds of books read by students in their spare time.

The results showed that most students read a variety of books instead of several books about the same subject. The majority of books read were about recent movies such as ROSEMARY'S BABY, THE GROUP, VALLEY OF THE DOLLS, CANDY, MOLL FLANDERS, DIAMONDEAD, THE DIRTY DOZEN, GONE WITH THE WIND, and THE GRADUATE. It seems as though these books would not have been read if there had not been movies made of them.

Several students expressed that they had not read any books, outside of assigned books, since high school. This factor may account for such books as CATCHER IN THE RYE, which ranked highest in the survey, THE SCARLETT LETTER, BRAVE NEW WORLD, and LORD OF THE FLIES.

The rest of the books listed displayed a variety of interests: FLYING SAUCERS, SERIOUS BUSINESS, THE MAGNIFICENT OBSESSION, YOGA, YOUTH AND REINCARNATION, DAS CAPITAL, CONFESSIONS OF A PUSHOVER, DEATH OF A PRESIDENT and THE ARMADA.

Win One, Lose Two

(Continued from Page 1) Basinger's 7 of 10 shots, mostly from the outside in the first half kept Charlotte close. Franks scored 14 of his points in the second half, many of them from around the head of the key. Charlotte now has a 1-1 conference record.

Belmont Belmont Abbey leaped to an **Intramurals**

Janitors will be thankful, the mud will soon be out of the bathrooms. Only one football game is left to play.

In the playoffs last week first-ranked A P O downed the Gladiators 42-0 and the Sophomores knocked off the Vultures 6-0.

This leaves only one game to be played in the tournament. Last week's winners will meet to decide the intramural championship when ever the field looks like it's not going to be a mud bin.

The T.I.G.E.R. will start basketball in January. The girls would appreciate some opposition.

Romeo & Juliet

(Continued from Page 7)

Mercutio's death. The movie shows the coward Tybalt LITERALLY stabbing brave Mercutio under Romeo's arm. The scene in act three, when the nurse warns Juliet and her lover that Lady Capulet is coming, is extended (and, one is led to assume, cut for American audiences) into a movie bedroom scene and followed by a desperate escape, on the part of Romeo, from the Prince's soldiers. Horses and all. Picture a dozen horses

galloping at top speed through the forests and around the foothills. Now picture the same scene on the stage of a round Elizabethan stage. Not very likely.

The final result of this effort is a new play with an old story and selected lines from another play about many of the same people. In the list of credits, the following is ironically included:

From the play by WILLIAM SHAKESPEARE This is not so.

1964 T-Bird Coupe

HIGH DIVIDENDS

Because CML is a mutual Company, profits are returned to policyholders each year in the form of dividends. The Company has granted an annual dividend each year since 1846—and in 1967 our policyholders will receive a record \$58,000,000.

Let us show you how these dividends make CML insurance cost you less.
