Basketball Team Wins Two More Games, Seizes Conference Lead Hold 5-2 DIAC Record

The UNC-C 49ers brought their record to an even 5-5 last week with at-home wins over UNC-G and N.C. Wesleyan. The Charlotte netters topped Greensboro Wednesday night by a 74-60 count in a game that was hotly contested in the first half. Led by Jerry Anthony's twenty-three points, the Forty Niners outscored the Spartans 43-30 in the second half, after posting a 31-30 half-time lead. The first half was something of a paradox in that the Charlotte

second to UNC-C this year, left the Spartans with a 0-8 record.

North Carolina Wesleyan, out to avenge an earlier defeat at the hands of the Forty Niners, grabbed a quick lead in Harrisburg gymnasium Saturday night. The first half of the game was an uphill battle for Charlotte until guard Jerry Anthony scored four quick points with six minutes left in the first half. UNC-C, holding a 24-23 lead, never let up again, as the Charlotte boys went on to

Competition Commences for Graduate Grants

Dr. Robert Rieke, chairman of the History Department, announced the opening of competition on this campus for a graduate study scholarship. The stipend, known as the Chan Gordon Memorial Scholarship, is sponsored by the Rotary Club district number 767, which covers the western half of North Carolina.

The winner, chosen from the campus of one school within the

district, is awarded \$2500, which is to be used for one year of graduate study in a foreign country. Male students, who will graduate not later than June of 1969 are eligible. It is assumed that this student will plan to continue his studies beyond the one-year term of the grant. Preference is given to students planning to study in a non-English speaking country, although this is not a prerequisite.

The original program, begun in 1949, was designed to bring foreign students to area colleges for one year. In 1954, it was expanded to include sending local students to foreign countries for study. Since its inception, this university has had one winner, Earl L. Parks, an engineering major, who won the honor in 1967.

Rieke, who is the campus representative of the selection committee, called for all interested persons to apply to him for the opportunity to represent this campus in the stiff competition for the grant. Application must be made by February 1, 1969.

Plans for a possible social action project will also be presented.

team jumped into an early 18-4 lead only to find themselves at the mercy of a Greensboro surge. The second half was close most of the way, but the Forty Niners reeled off eleven straight points to bring the score to 59-48. The game was never in question after that. Four of Greensboro's players, including their star Bruce Shaw, fouled out, and the team committed a total of 33 fouls. UNC-C was, therefore, allowed forty charity tosses, thirty-two of which they sank. The dogging defense of Charlotte held Bruce Shaw to twenty points. Joining Anthony in double figures were Donahue (14) and Dae (13). This loss, Greensboro's

achieve a 76-68 victory.

Plagued by consistently poor foul shooting (they hit only 12 of 24) the 49ers outscored their opponents by four shots from the floor. Ben Basinger was high scorer with twenty-two points. He and Pete Donahue (17) both sank eight field goals. Freshman Dick Turpin had fourteen points, and Senior Anthony added eleven. Taylor had twenty-one for the losers.

The win was the third in a row for the Charlotte squad. Their overall record is only 5-5, but they hold a conference-leading 5-2 record in the D.I.A.C.

University Announces Fourth Speaker for University Forum

The University of North Carolina at Charlotte has obtained the president of the National Association of Broadcasters as the fourth speaker for its annual University Forum.

Vincent T. Wasilewski will speak on "The Public's Interest in Free Broadcasting" at the March 3 Forum.

He will be participating with Carl T. Rowan, nationally syndicated newspaper columnist; Mario Pei, a leading authority on linguistics; and Dr. Kenneth G. McKay, vice president, engineering, of the American Telephone and Telegraph Company.

The participants will deal with the broad area of communications in an advanced technological

society. The University Forum is one of the highlights of the school year at UNC-C. The date marks the fourth anniversary of the passage of legislation to create the University from Charlotte College. Mr. Wasilewski, 18th president of the NAB, is the first chief executive to be promoted from within the ranks.

He joined the association's legal staff in 1949, immediately upon his graduation from the University of Illinois with a degree of Doctor of Jurisprudence. He moved up as chief counsel, manager of government relations, vice president of government affairs, and executive vice president.

He has been president since January, 1965.
