

## Pre-season ends

by henry wilson

The 49er basketball team has already completed one phase of preparation for their opener on December 1. Pre-season practice, which lasted from September 10 to October 4, was designed to get the players in shape.

The 49ers met every Monday, Wednesday, and Friday for the workouts which consisted of running, weightlifting, and agility drills. This concentrated one-hour workout included 50, 100 and 440-yard scampers and a mile run. All these events had a specific time limit which had to be met. Military and bench presses were done to increase strength in the players' arms and shoulders, while 50-pound sandbags were carried up and down steps to increase leg endurance.

Each day the 49ers were encouraged to improve their scores and times of the previous workouts. The coaches did this by grading the players from 1-10 on each event. Coach Foster was extremely pleased with the results and enthusiasm of these pre-season workouts. Everything is pointing in the direction of an even better season for the UNCC 49ers.

## Mauney takes golf honors

by henry wilson

Medalist Terry Mauney led UNCC Golf Team to a 3rd place finish in the Etowah Collegiate Invitational October 4 and 5 at the Etowah Valley Golf Club.

The Junior golfer's 142 total beat his nearest competitor by 2 strokes.

Mauney, who is also the Charlotte amateur champion, fired a 70 the first day to record the only sub-par round of the tournament.

The five other UNCC participants who competed in the tournament were Senior Terry Owen, Junior Dan Randall, and Freshmen John Felleny, Sam Spear, and Paul Blackwood. Out of the six, the best four scores were taken each day for the team score.

East Tennessee State first place with 591 total and Wofford, 601, were the only teams to place above UNCC (614). Other teams also participating were Furman, Gardner-Webb, UNC-Asheville and Presbyterian Cumberland.
