

BASKETBALL SEASON BEGINS SOON

Once again it is time to dust off your tennis shoes, pump up your old basketball, and head for the nearest basketball court. Yes, basketball season is almost upon us at last.

Once again the Charlotte College Owls will field a team that will be led by Buddy Smith. This will make Buddy's second consecutive year at the helm of the Owls.

Although the 1954-55 Owls won only a few games, they could always boast of their hustle and their overwhelming spirit. Most of the games were taken from them by only a small margin of points. The Owls also showed a great improvement toward the end of the year by winning four of their last six games. This included a smashing triumph at the end of the regular season over E. M. I., who later became runner up to only Campbell in the Junior College Tournament.

The conference this year should be greatly improved over last

year's. However, the Owls should be better equipped and should sponsor some keen competition for the other members of the league.

Back for his second year will be dead eye Jerry Gaudet. Jerry was the second highest scorer in the conference and was also given honorable mention on the all Junior College team. He will be aided by Raeford Brown and Dick Calvert at his forward position. At the center position the Owls will have Bradford Mills, Merwin Foard, and Earl Beckum. The guard positions will be filled by Bobby Short, Johnny Noles, Nick Chamis, Wayne Eaton, and Johnny Culp.

The first game of the season for the Owls will be held on Nov. 19, at E. M. I. This first game promises to be one of the roughest in the schedule. The boys want to win and bring a winning team to Charlotte College. Whenever the Owls play give them your full support and help bring a winner to C. C.

RECORD ROUND-UP

Well, here we go again with what we see as the top tunes being sung around the country. Man, there are some dillies on the menu for this issue. Well, here we go.

What do you think about the "Shifting Whispering Sands?" This is one of the new recordings on a Dot label that has been booming lately. Well, I'll stick to the old rhythm and blues stuff.

Roger Williams has been rattling the keys on his piano and has come up with the smoothest platter that we have heard in a long time. The disc which we are talking about is "Autumn Leaves." Dad, that's cool.

Now here's the record which we think is the best of the month. We think that you will agree with us. Ray Anthony with "Moments to Remember" is the hit of which we are speaking. It's really inspiring and reminds us of the old days. Jo

Stafford can't be out-done and her recording of "Young and Foolish" is up around the top of the list.

Jerry Southern has a large seller with her version of "An Occasional Man." Let me at her boys. Eddie Fisher is still going strong and it isn't any wonder that half of his records have hit over the million mark in sells. Eddie's latest, "Don't Stay Away Too Long," looks like another smash hit.

"Black Denim Trousers And Motorcycle Boots," "Hawk-Eye," "I'll Never Stop Loving You," and "Suddenly There's A Valley" seem to be going strong around the nation.

We hope that you have enjoyed this column and that we can be back with you next issue. For right now, here's wishing you all the happiness in the world and remember—keep singing.

DANCES

Here's a note reminding everyone to come to all of C. C.'s dances. We are sure you will enjoy the fun. We'll be seeing you there.

GOOD FOOD IS BETTER
HERE

We believe in the stuff we are handing out, in the firm we are working for, and in our ability to get results. We believe that honest stuff can be passed out to honest men by honest methods. We believe in working, not weeping; in boosting, not knocking; and in the pleasure of our job. We believe that a man gets what he goes after, that one deed done today is worth two deeds tomorrow, and that no man is down and out until he has lost faith in himself. We believe in today and the work we are doing, in tomorrow and the work we hope to do, and in the sure reward which the future holds. We believe in courtesy, in kindness, in generosity, in good cheer, in friendships, and in honest competition. We believe that there is something doing, somewhere, for every man ready to do it. We believe we are ready-right now.
