GOSSIP

Here we go again with the latest news from the halls of Charlotte College. This news comes from the worst informed sources and any resemblance to the truth is accidental.

John Faulk, the wealthy banker, seems to have fallen for a girl whose initials are Shirley. Here's wishing him luck.

The word is out that Raeford Brown has been "hog-tied" and is awaiting his branding from Elizabeth Ann.

Taylor Hill really seems to enjoy his Spanish Class. We wonder why. Maybe it's because Pat Kendrick sits in front of him.

Darrel Avery and Linda Glenn seem to be doing all right together except for one thing. She beats him in ping-pong. Are you going to deny it, Darrel?

Roy Stallery has found himself a new "friend." We wish you would tell us more about it Roy.

Tom Hasty and Nancy Newcomb are still on the steady road. Tom has to do a lot of studying and doesn't have much time for other girls as everyone knows.

Lamar Bell is planning to walk up to the hitching post in another few months. Better take Mr. Wheelock's advice about those marriage contracts, Lamar.

Nick Castanas and Rip Bass have made their homes at a certain spot on Providence Road. A lot of other C.C. students have also, fellows.

Who was that brunette we saw with Merle Taylor the other night at the show? Merle is still keeping

up his A average even when it comes to women. At least we have found out that Merle doesn't study all the time.

If it wasn't for the hospitals in Charlotte Johnny Mallard wouldn't know what to do with himself. Am I right Johnny?

Barbara Duckworth is now sporting a big diamond on a certain finger on a certain left hand. She'll be getting its mate pretty soon.

This about sums up another year of gossip. We have really had a wonderful time in getting the low-down on some great people. To all the people who will not be coming back to C.C. next year, we want to say that it has been nice knowing you and we hope you have the best of luck in the coming years wherever you may be. Everyone have a nice vacation and be careful. Good-by now!

Trouble, it seems, defies the law of gravity. It's easier to pick up than to drop.

* * * * *

Modern maiden's prayer: "Dear Lord, bring him back safe, sound and single."

We believe in the stuff we are handing out, in the firm we are working for, and in our ability to get results. We believe that honest stuff can be passed out to honest men by honest methods. We believe in working, not weeping; in boosting, not knocking; and in the pleasure of our job. We believe that a man gets what he goes after, that one deed done today is worth two deeds tomorrow, and that no man is down and out until he has lost faith in himself. We believe in today and the work we are doing, in tomorrow and the work we hope to do, and in the sure reward which the future holds. We believe in courtesy, in kindness, in generosity, in good cheer, in friendships, and in honest competition. We believe that there is something doing, somewhere, for every man ready to do it. We believe we are ready right now.
