

Assembly Committee Begins To Plan Program Schedule

The Concerts, Lectures, and Programs Committee of Charlotte College, which works in close cooperation with the Student Assembly Committee, has announced a tentative schedule for programs

to be presented to the faculty and student body during the year 1957-58. In making the announcement, Dr. Pierre Macy, chairman of the faculty committee and advisor to the student committee, said that the list was by no means complete, and that other attractions would be added as soon as they were engaged.

Philip Kennedy, baritone, offered a vocal performance, accompanying himself on the guitar, Tuesday, November 5. His recital was for students and faculty members exclusively and was not open to the public. Kennedy is a native of Charlotte.

On Tuesday, November 26, Miss Virgilia Peterson, author, book reviewer and critic, television panelist, and nationally known lecturer, will appear to present a lecture, "Books in Profile."

On Wednesday, January 8, Sigurd Rascher, saxophone virtuoso, will be presented. Rascher has appeared as a soloist with the New York Philharmonic Orchestra.

Miss Alice Riley will sing at Charlotte College Friday, March 14. Miss Riley was awarded the title "Woman singer of the year" by the American Association of Teachers of Singing.

One of the highlights of the series will be the performance of Raul Spivak on Tuesday, April 15. The world-famous Argentine pian-

Judge Gatling Is Speaker At First Assembly

The first assembly of all Charlotte College evening students convened September 26, at seven o'clock P. M., in the Central High School auditorium. Miss Cone, the college director, opened the meeting and in a brief talk, welcomed all students to school for the Fall quarter. She also greeted the distinguished visitors who were present.

Mr. J. Murrey Atkins then addressed the student body, speaking enthusiastically and optimistically about the future of the college. Mr. Atkins is chairman of the College Advisory Committee.

Dr. E. H. Garinger, Superintendent of Public Schools, congratulated Charlotte College on its remarkable progress in the past and expressed his faith in the institution for the future.

The principal speaker, Judge Willard I. Gatling, jurist of the Mecklenburg County Domestic Relations and Juvenile Court, was introduced by Dr. Pierre Macy. Judge Gatling delivered an eloquent and inspiring commentary on the place of education in modern society. He heartily congratulated all students, whom he addressed as "my fellow students," on their efforts to obtain an edu-

cation. He stated that time spent in the pursuit of learning was well worthwhile.

To conclude the assembly, Mr. Woodruff, director of the Charlotte College Chorus, led the student body in singing "America." "My Bonnie Lies over the Ocean" was dedicated to Miss Cone, and the final number was "I've Been Working on the Railroad."

After the announcements were read, Dr. Macy dismissed the convocation.

lished at Charlotte College in 1952, evolving from the Keyman Fraternity. It became inactive in 1954 but was revived in 1956.

The president this year is Bill Wagner, vice-president Joe Pickard, and secretary-treasurer Jon Bass. Other officers are the following: corresponding secretary, Bill Hoover; scribe, Henry Bird; warner, Jackie Morris; pledgemaster, Greg Hopping; and Steward, Ronnie Watts.

The fraternity meets every two weeks, with every other meeting being held on Sunday afternoons at the home of one of the members. The other meeting is held during school nights in the Student Lounge. Special meetings are called when the need arises.

A \$100 scholarship was given last year to a C. C. student by the organization. The scholarship will be given again this year. Lunches were provided for an underprivileged school boy all last year. The brothers also have paper drives to raise money.

The other projects this year will be decided upon at the next meeting of Sigma Lambda Chi on November 7.

Pledges are initiated at the first of each of the three school quarters.

Other members of the fraternity who are still at the college are Tommy Cato, Robert Falkenberg, Leigh Winslow, Frank Garner, Dickie Matthews, Bruce Partick, Wiley Martin, Bill Poole, and Tom Reddeck.

Dear Editor,

This is the first letter I have ever written to a newspaper and if I don't get my copy P.D.Q. you can bet your life it'll be the last. Artie Hollins

Dear Editor,

The six pages you put out must have run you completely out of news. It's been so long since you published I've even forgotten the name of your paper. Is it the Sputnik Daily News? The Charlotte Carolinian? The C. C. Yearly Times?
