

## Mrs. Hoyle Plays Hostess As Spanish Club Has Dinner

The Spanish Club met early this month for their final meeting of the year.

The affair was held at the home of the advisor, Mrs. Frances Hoyle.

### *Three Students Will Be Married After Graduation*

June wedding bells will ring out for Collegian News Editor, John Ballard, and Miss Anne Alexander on Saturday evening June 7th. Miss Alexander and Mr. Ballard will move to Atlanta where John will continue his education at Emory University. The couple will be wed at Calvary Methodist Church, where both are members by Dr. L. R. Akers.

On this same evening Henry Byrd, president of the Sophomore Class, and Miss Carolyn Edwards will be married at St. John's Baptist Church.

Don Baxter and Miss Judy Keever will also be married on June 7th at St. Mark's Lutheran Church. Don and Judy will continue to live in Charlotte. Don is employed in the advertising department of *The Charlotte News*.

The Collegian extends its heartiest congratulations and best wishes to these young couples and may they have every success possible in their married lives.

## The I.R.E. Subsection W.N.C. Meets At Charlotte College

A regular meeting of the Western North Carolina Subsection of the Institute of Radio Engineers was held Friday, May 16, at 6:45 P. M. The group met for dinner at the Hearthstone Restaurant. After dinner they reassembled at Charlotte College for a discussion of college programs in engineering and technology, followed by a conducted tour of the classroom and laboratory facilities. Hosts at C. C. were Mr. W. R. Halstead, Head of the Technical Terminal Division of the college, who, at a previous meeting of the Western North Carolina Subsection of the I. R. E., was elected Secretary of the organization; and students in the E. T. and pre-engineering curricula.

The North Carolina Section of the I. R. E. is subdivided into an Eastern and a Western Subsection; it is a member of the international I. R. E. organization, consisting of twenty-five professional groups. These groups are con-

cerned with all fields of electronics, such as rocketry, communications, computers, military electronics, etc. The incoming officers of the Western North Carolina Subsection, in addition to Mr. Halstead, are Mr. T. Keller Bush of Radio Station W.B.T., Chairman; Mr. L. L. Caudle, Jr., of Radio Station W.S.O.C., Vice-Chairman; and Mr. John I. Barron of Southern Bell Telephone and Telegraph Company, Treasurer. The present Chairman of the North Carolina Section is Mr. C. A. Norwood of Western Electric Company in Winston-Salem.

The members gathered for an outdoor supper of hamburgers and all the trimmings. Afterwards they were entertained by Mr. David Littlejohn, a professor of Spanish at C. C., who sang Spanish songs and played records. The group also joined him in song.

Members were allowed to bring guests without charge.

Spanish Clubbers presented Mrs. Hoyle with a medallion engraved in Spanish, reading, "from the Spanish club." Tommy Miller, president of the club, made the presentation.

### Graduates Dinner Tomorrow Night

The 1958 graduates of Charlotte College and the faculty will have a banquet on Saturday, May 31, at Kuester's dining room on Wilkinson Boulevard.

Approximately 150 people are expected to attend this affair, which is sure to be an enjoyable occasion. It is uncertain at this time just what the entertainment will be, but we are sure that it will be most appropriate.

Any graduate who expects to bring a guest to the banquet should pay his \$2.25 to Miss English in the office. We hope to see every graduate and faculty member present at this annual gathering.

## French Club Ends Year

The French Club has been relatively inactive this Spring quarter because of the small number of students taking the subject.

Dr. Macy and president John Ballard have both expressed hope that more students will sign up for French in the Fall so that the club will be able to have more and varied programs. These programs are designed to create a deeper interest in the French people, their language, culture, and country.

Past programs have been well received by those students in attendance. This year has been a successful one, but next year can be and should be an even better one.

## Campus Cut-Ups Talent Was Large, Attendance Small

A performance of the Charlotte College Campus Cut-Ups was given in the Piedmont Junior High School auditorium on May 16, 1958, at 8:15 P. M. The Cut-Ups, a musical and humorous variety show, was undertaken and sponsored by the Assembly and the Charlotte Collegian. The production was under the direction of its faculty advisor, Mr. David Littlejohn. The audience consisted of less than a hundred people.

Among the numbers presented were the following: Don Baxter and band, featuring Reitan at the piano, with vocalist Carolyn Brown; tenor soloist Joe O'Neil; Joe Mullis, hillbilly vocalist, with instrumentalists; Earl Wentz, piano soloist and accompanist; Shirley Skidmore, operatic soprano; the Catalinas, a vocal and instrumental rock-and-roll group; Merwin Foard, bass-baritone vocalist; Clyde Swofford, comedian; Bob Berryhill and Mary Klouse, comic ballet dancers; Jo Ann Cheek, majorette and baton artist; and several dance numbers by students of the Grose School of Dancing. Dick Boward, Charlotte Opera

singer, rendered "The Song of the Flea."

Mr. Littlejohn commented that, despite the small audience, the show was enthusiastically received. The Assembly Committee announced that in its final report a recommendation for the establishment of a special Student Council committee to organize and produce such a variety show in the future would be included.

Others who contributed their efforts to the production were Margaret Fisher, chairman of tickets and programs; Harold Schwartz, sound engineer; Fred Skipper and Fred Skaff, lighting engineers; and Patty Hill, makeup assistant.

## Sigma Tau Sigma Officers Are Elected; Final Banquet Held

Wiley Martin

Wiley Martin was unanimously chosen president of Sigma Tau Sigma in an election held Friday, May 16. Other officers are: Earl Gunter, vice-president; Betty Johnson, secretary; and Charles Cruse, treasurer.

Society pins and keys were also given out at that meeting.

The final banquet was held at Kuester's Restaurant on Wilkinson Blvd. Over forty members and guests attended the dinner, which was held last Sunday, May 26. A chicken supper was served.

Outgoing president Jim Hicks presided at the occasion.

## Annual Spring Dance Well-Attended, Was The Freshman Gift To Sophomores

The annual Spring Dance, given to the Sophomores as a graduation gift by the Freshmen, was held Saturday, May 17, at the Veterans' Club on E. Morehead Street. The hours were 8:30 to 11:30.

Despite a sudden downpour of rain, the dance was well-attended. Tables with candlelight, the only light source on the floor, were placed along the walls, leaving an adequate space for dancing.

Refreshments consisted of grape punch and various cookies. They were served by Mr. and Mrs. Wiley Martin. Martin is president of the Freshman class this year.

Many alumni were present at the event, among them Nancy Fisher, Brona Foster, and Bill Henson. Miss Fisher was the Si Si editor last year, Henson the President of the Student Government, and Miss Foster was chairman of the Social Committee.

Notable among the dancers were Mr. and Mrs. Winningham and Miss Nora Leza and her escort.

Cindy Maydanis, co-chairman of

the Social Committee, theorized that the rain kept many couples from the affair.

Many guests stated that the event was the best social affair of the year.

The dance concluded the calendar of social events for this school year. Included in the agenda were also two other dances, two picnics, and coffee hours.
