PREVENTED A WRECK.

Mt. Pleasant's Most Noted Citizen Wilkenboro Passenger Train Flagged

Down by a Young Lady. A Miss Forester, of Wilkes county, prevented what might have been a wreck to the Wilkesboro passenger train, Monday afternoon. A horse, in attempting to cross a

t estle near the 97th mile post, fell and was unable to get off without assistance. Miss Forester saw the animal, but was unable to rescue it from the approaching train. Going up the road for half a mile, she awaited the

arrival of the train which she flagged Capt. Hawkins and his engineer ppreciated the act, and new the enial captain is going to ask Miss Porester to give him the fl g with which she, perhaps, saved his life as well as those of several other people.

After the Long Arctic Night.

-Winston Sentinel.

The inhabitants of the little vilages in the arctic circle have nearly three months of steady night. It is the annual custom that on the day when the sun rises above the horizon after the long season of dark. ness the inhabitante all stand in hne, facing the returning orb, and greet it with a military salute. No other effect than that of puleness of complexion is discernible in the natives after this long time at night. The pallor soon puszes away with the sun's return. In Bodo the sun can be seen at midnight on June 3: in Tromso it can be seen on May 20; in Hammerfest, or as far as the North cape, the midnight sun may be such as early as May ID or 16,-New York Herald.
