months on chain gang. The following were the jury for the this appropriation is only a just The bill fixes all salaries of city

their maintenance. It is a very

abandonment of the volunteer service the firemon render in all acc-

tions of the State, and will nec-stitate the levying of taxes sufficient to ment expenses of a hired five department in all toway and oithes where they are not now paid.

Chief of Fire D partment J L Boger has written to our representa-

with whom he is in correspondence.

Ronsted Cat.

Wednesday evening after work

had all been done in the kitchen. the door to the oven of a certain cook stove was gently closed and the lady retired for the night. Early this (Thursday) morning a roaring fire was made it the stove and when the oven door was opened to the lady's horror she found within a

without any sentimental tendernesor palliation. The entire population of the city

of Charlotte are up in arms against the proposed change in that city's government. A bill has been pre pared and will be presented to the appropriation. Men who compose legislatureto so amend the charter a the fire companies of our town are to give the powers of administration

State vs. Fred Ford and Noah member is injured at a fire while posed of three men-one of each po litical party, namely, Democratic Republican and Populist, the comlaboring for the welfare of others, missioners to be chosen by the exe-

trial of Sam Hood, accused of the means of support for his family officers and, as a whole, is an on murder of Will Honeventt: Hope during ids insbility to work for rage. The Charlotte people are in dignant and will fight the bill with in might. Such a governmen serious thing, and in case the bill is as the bill proposes would certain carried through it will mean the retard the progress of the pretties novel and very costly experiment

And the second second

The Same Old Sarsaparilla. 20

rilla is the same old samaparilla

that made the record-as years

of cures. Why don't we better

it? Well, we're much in the

condition of the Dishop and the

rasplarry : " Doubtless, " he

said, "God might have made a

better berry. But doubtless,

also, He never did." Why

don't we better the sarsaparilla?

We can't. We are using the

same old plant that cured the

Indians and the Spaniards. It

has not been bettered. And

since we make sarsaparilla compound out of sarsaparilla plant,

we see no way of improvement.

and the second s

That's Ayer's. The same old

tives at Raleigh, imploring them for humanity's take and for the welfare of the people and their business interests, to fight the bill, and we feel sure that the Hon. Speaker, Mr. Hileman, and Senator C D Barring er - ill act with discretion in this matter.

Chief Boger is a member of the L gisla ive committee of the Firemen's Association and will hold himself in readiness to . a to Raleigh if called there by President McNeil,

The firemen justly protest against any change.

Of course, if we were making some secret chemical compound we might Eut we're not. We're making the same old sararparilla to cure the same old diseases. You can tell it's the some old sersaparilla because it works the same old

purifier, and -it's Ayers. Bon is Santas nice brown, roasted cat.
