Gen. Wheeler was called for a new Ledge of Knights of stones and was roundly obcared as he

said among other toings: "The army, in conjunction with the navy, was ordered to attack and destroy the Spanish forces at Sactiago. In four weeks that order was obeyed and its purposes socimplished. The prood Spanish nation stood suing for peace from the nation which a month before it had held up to ridicule and scorn."

Gan, Young responded in a short speech in which he said the no troops in the world were better, more regularly fed and treated than were the troops in South Carolina and Georgia.

The jubilee occasion makes an epoch in the history of Atlanta.
