THE STANDARD.

IN THE CHICAMAUGA BATTLE.

"Prodigal" Retraces Scenes of Carnage

and Confusion, Beauty and Heroism. In The Standard of Oct. 30th I stated that those of us who escaped from Ohio "were sent to Tennessee under the command of Gen. Forest, and opened the fight at Chicamauga." In imagi-nation I see now the bridge over Chicamauga creek that our cavalry was guarding. A shot was fired on the other side of the creek and a picket ran in with a report that "the Yankees were coming." Aye! and they did come, too, thousands of blue coats on fine horses who

\*Stayed not for break and stopped not for stone But swam the river when foard there

These troops were the advance command of Rosacrans army and I think, outnumbered us greatly. We fell back on our infantry and the great battle commenced drove the enemy into Chatta-nooga. I was not at the battle of it save what I have heard and read, but the panic of the Federals at Chicamauga was very great and must have equalled

service and we pursued the fly-ing enemy at least ten miles to this the enemy were hurrying iron and steel makers." over pontoon bridge, hurrying with evidences of fright everywhere. Men, cannon, horses and wagons were all huddled together, each trying to cross first. Our force of cavalry, under Forrest or Wheeler, I don't remember which, charged their rear guard, making the panic still greater, if possible.

to say, Gen. Bragg, instead of following up his victory, went into camp. Had he pushed on to Chattanooga, in my humble opinion, he could have captured the entire army of Rosecrans, as the whole army was in a panic.

A short time after, say two weeks, this same Federal army marched out of Chattanooga up our army and made us run over
