**THE STANDARD,**

Concord, N. C.

CONCORD, APRIL 27, 1895.

Some papers give Geo. P. Howell & Co's Advertising Agency down the country—they don't mince meat it either, they grind as fine as flour. Yet many of these accept advertising from them. The Standard has never got an honest rating by its Directory, but that makes no difference for we get more absurd advertising propositions than our old market holes.

It is always best for a man to keep his tongue. Nearly everybody has enough of the venereal virus, but getting a part of others.

A Joke on Josiah.

Hon. Josiah Turner was addressing a large crowd of farmers in Hillsboro, long time ago, telling them how to raise clover, etc, or in other words he was delivering an agricultural address. While he was speaking Mrs. Turner, his wife happened to pass by. She inquired of some one who Mr. Turner was talking about. Upon being told that he was talking about farming, she said she wanted to expose him, but the joke was such a good one, she would have to tell it. He is making a splendid thing people here to farm, and he now has a man at home "choking heart"—Hillboro Observer.

When the wastrel was over her Castoria, when she had a child, she cried for Castoria, when she became Miss, she clung to Castoria, when she had a child, she gave her Castoria.

Dr. King cured His Life.

Mr. G. W. Lott, Druggist, at Raleigh, N. C., says: "I was taken with La Grippe and I called all the physicians for a week about, but of no avail, and I was given up and I would not live. Having Dr. King's New Discovery in my store I sent for a bottle, and had the first dose began to get better, and after using three bottles was cured and about again. It is worth its weight in gold. We won't keep any more boxes without a few bottles at Feltz's Drug store."

A Catawba Man in a Bad Shape.

J. F. Shuford, of Catawba county, this State, is in jail in Yorkville, S. C., in default of \$1,000 bond, on a serious charge. He had been teaching school near Rock Hill, and made an attempt to run three young girls who attended his school. The sheriff had to put a guard around the jail to prevent a lynching. Shuford has a wife and two children. He was horse-whipped last fall for a similar offense.—Charlotte News.

UNTOLD MISERY FROM RHEUMATISM C. H. King, Water Valley, Miss., cured by Ayer's Sarsaparilla

"For five years, I suffered untold misery from muscular rheumatism. I tried every known remedy, consulted the best physicians, visited Hot Springs, Ark., three times, spending \$1000 there, besides doctors' bills; but could obtain only temporary relief. My flesh was wasted away so that I weighed only ninety-three pounds; my left arm and leg were drawn out of shape, the muscles

being twisted up in knots. I was unable to dress myself, except with assistance, and could only hobble about by using a cane. I had no appetite, and was assured, by the doctors, that I could not live. The pains, at times, were so awful, that I could procure relief only by means of hypodermic injections of morphia. I had my limbs bandaged in clay, in sulphur, in poultices, but these gave only temporary relief. After trying everything, and suffering the most awful tortures, I began to take Ayer's Sarsaparilla. Inside of two months, I was able to walk without a cane. In three months, my limbs began to strengthen, and in the course of a year, I was cured. My weight has increased to 165 pounds, and I am now able to do my full day's work as a railroad blacksmith."
