Concord, N. C.

CONCORD, MAY, 7, 1895.

THE RAILROAD BOARD.

The election Monday changes the appearance of the governmental powers of Concord—new faces now being in.

The old Board had on it all Democrats and men who had the best interests of Concord at heart. The gentlemen composing it did all that a moral man could do. They found a town head-over-heels in debt and had the resources to maintain it and keep the town on its own feet. The debt has been increased and this, under all circumstances, is all that could be hoped for.

All have done the best they could and they retire with the confidence of the town.

In the death of Collector M. E. Carter, of Asheville, the State has lost one of its best citizens. He was popular and his life, from a financial point of view, was a splendid success.

The names of W. T. Crawford, Jno. S. Henderson, J. G. Hall and others are mentioned as successors of Collector Carter. The choice, however, is with the Old Sheriff.

The town election is over and the excitement thereof is over. The politicians can, therefore, return to business.

The results of the town elections over the State do not offer much balm to the Fusionists who vexed their souls to know how to visit upon the towns their hatred.

It is now Ex-Sheriff-Mayor Morrison.

Here is a good sample of Western humor. A Minnesota paper says that a farmer of that place raised 1000 bushels of popcorn this year and stored it in a barn. The barn caught fire, the corn began to pop and filled a ten-acre field. An old mare in a neighboring pasture with defective eyesight saw the corn, thought it was snow and lay down and froze to death.

Big Church Parliament.

Pittsburg, May 5.—At the coming Presbyterian General Assembly to meet here May 16, thirty-one synods and two hundred and twenty-three presbyteries will be represented by 600 delegates. It is now generally conceded that the Rev. Dr. Robert Russell Bacon, of New York, will be moderator. General James A. Beaver has been spoken of, and the assembly is not in favor of a layman for moderator.

One of the subjects for debate is "Shall Polygamy Be Tolerated in the Presbyterian Church?" The subject comes up on an overture from the synod of India.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

Marvelous Results.

From a letter written by Rev. J. Gauderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While brought down with pneumonia (succeeding La Grippe). Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Fetzner's Drug store. Regular size 50c. and \$1.00.

TURNING GRAY AND THREATENED WITH BALDNESS

The Danger is Averted by Using **AYER'S HAIR VIGOR**

"Nearly forty years ago, after some weeks of sickness my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.
