Blood-purifiers, though gradual, are radical in their effect. Ayer's Sarsaparilla is intended as a medicine only and not a stimulant, excitant, or beverage. Immediate results may not always follow its use; but after a reasonable time, permanent benefit is certain to be realized.

A baseball club was organized Wednesday night at the old Lutheran church grounds with Louis Smith as captain, and James Hamilton secretary and treasurer. The first game under this management will take place Saturday at Forest Hill, if arrangements can be made to that effect.

The State Agricultural and Mechanical College is rapidly growing in public favor. Last year, though only six years old, the College enrolled two hundred and forty students. This is, we believe, a more rapid growth than any other institution in the State has ever made. Its announcement appears in this issue.

"A Stitch in Time"—A dose of Ayer's Pills has saved many a fit of sickness; but when a remedy does not happen to be at hand, slight ailments are liable to be neglected, and the result, frequently, is serious illness; therefore always be supplied with Ayer's Pills.

Col. John Fritz Moose, of No. 6 township, was in town on his way to Greensboro. He was in a jovial mood and stated that his happiness was due to the abundance of fruit and crops in general. He also says that silver is freer now than ever, and that he is content with his portion.

**What a Mixture.**

The following incident of New York life shows how badly our population is mixed: "An Italian sent an American lad to a Chinaman for his laundry. The American gave the Chinaman a 50cent piece. John bit on it and said: 'Counterfeit; you gettie in trouble; me keepee,' and put it in his pocket. The Italian then called and started to give the Chinaman a beating. A Greek left his oyster stand to act as a peacemaker. The Italian drew razor and the Greek shied a bottle of cayenne pepper at him, which struck a Hebrew. A negro who was passing shouted, and an Irishman in the uniform of a policeman arrested the fighting congress of nations, which was presided over by a Dutch police justice."
