Concord, N. C.

CONCORD, AUGUST 24, 1895.

If Stanly keeps on the ratio of silver to gold will be paralyzed. Gold is more plentiful than exported tin in Stanly county.

What's the matter? From the newspaper record of deaths one must conclude that typhoid fever is unusually prevalent this year. The old people say: "Much fruit, much sickness."

The A. & M. College, unlike the Normal, at Greensboro, goes out the State for its professors. In this respect it is not to be commended. North Carolinians, all things being equal, for North Carolina positions. It's time this suicide is stopped.

The Leasing of the N. C. Railroad was no "Snap." It was anticipated ever since the committee meeting in Raleigh, and on Wednesday before the meeting on Friday, the probable release was published in a number of North Carolina papers. Don't call it a "Snap" or a "Scoop." It was business.

### Old People.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a tonic and alterative. It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters is an excellent appetizer and aids digestion. Old People and it just exactly what they need. Price fifty cents per bottle at Fetzer's Drug Store.

### To Race for the World's Bicycle Record.

ROBONTO, Ont., August 23.—The open challenge of Ferdinand Shabet, the 1,000 kilometre bicycle champion of France, who is now in this city, to race 1,000 miles for the world's record, has been accepted by F. M. A. Seavey, a Boston professional. Seavey wired yesterday from Rochester as follows: "Am ready to race Shabet any time or place for 1,000 miles." Shabet has already commenced training for the race.

### Two Lives Saved.

Mrs Phoebe Thomas, of Junction City, Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result every thing else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at Fetzer's Drug Store. Regular size 50c. and \$1.00.

## TURNING GRAY AND THREATENED WITH BALDNESS

The Danger is Averted by Using

## AYER'S HAIR VIGOR

"Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with immediate baldness. Hearing Ayer's Hair Vigor highly spoken of, I commenced using this prepara-

tion, and was so well satisfied with the result that I have never tried any other kind of dressing. It stopped the hair from falling out, stimulated a new growth of hair, and kept the scalp free from dandruff. Only an occasional application is now needed to keep my hair of good, natural color. I never hesitate to recommend any of Ayer's medicines to my friends."—Mrs. H. M. HAIGHT, Avoca, Neb.
