

A BATCH OF LOCAL NEWS.

Picked Up and Put in Shape By Our Hurling Pencil Pusher.

Dr. F. E. Hartsell is in Wilmington.

Mr. M. L. Blackwelder is in town making pants, for a week.

Mr. D. W. Snider, the sewing machine man, is quite sick at his home on church street.

Mrs. Nettie Patterson, who has been quite sick at her home on South Spring street, is convalescent.

There were no lights on the streets Saturday or Sunday night. The cause: the wires were crossed somewhere.

The autumnal season will be christened tonight by a delightful dance, which will take place at Patterson's hall.

If the switch is built to the fair grounds, it will not be 12 months until both sides are lined with manufacturing enterprises.

There were no services at the First Presbyterian church Sunday, owing to the absence of the pastor, who is spending a vacation in Virginia.

Mr. Will L. Robbins, of Forest Hill, is sick. He is greatly missed at the Odell mills and his many friends wish for him a speedy recovery.

Mr. J. M. Funderburk, of Mitford, who advertised last week in THE STANDARD for a plantation, has been accommodated already. He will work one of Mr. P. M. Morris' places.

Says the Charlotte Observer of Sunday: "Nine bales of cotton were sold on the market yesterday. Seven of them were sold by an old negro named Ephraim Cornelius, of Popular Tent."

Mr. Luther Neisler, of No. 5, had to send for the doctor on Sunday. He ate some melon and it lodged in a lump, giving him excruciating pain. Dr. Smoot was sent for to come as fast as possible.

Sometime ago Mr. James Deaton got a finger broken while trying to catch a ball. The break refused to heal, and on Sunday Drs. Archey and Reed amputated the finger. This is the cost of ball playing.

Parties who attended the camp-meeting at Hickory Grove Sunday heard a grand sermon at 11 o'clock by Rev. Dr. Creasy, of Charlotte, who is so well known here. The attendance this year was considerably smaller than former years.

A mule team belonging to Mr. A. M. Freeze, of Mill Hill, ran away from near the Odell store this morning, causing quite a commotion on Church street. No one happened to be in the hack and fortunately not a great deal of damage was done to the vehicle or team.

Not one complaint has ever been made by those using Ayer's Sarsaparilla according to directions. Furthermore, we have yet to learn of a case in which it has failed to afford benefit. So say hundreds of druggists all over the country. Has cured others, will cure you.

Saturday nights afford an awful effort to get along the pavement from the town hall to Fetzer's corner. The crowds stand thick across the pavement in the height of their ease and comfort. It is hard to get through—ladies can not. The police might remedy the matter.

You cannot say that you have tried everything for your rheumatism, until you have taken Ayer's Pills. Hundreds have been cured of this complaint by the use of these Pills alone. They were admitted on exhibition at the World's Fair as a standard cathartic.

SUNDAY SCHOOLS.

As the Reports Show There Was a Larger Attendance Yesterday Than the Sunday Previous.

While there was an increase of only four members in all of the Sunday schools yesterday the attendance exceeded that of the Sunday previous by 33, which is very encouraging, there being 920 present out of a total enrollment of 1,682. The reports as we got them are:

Chasing to the Standard With Open Cotton Bells.

Early this (Monday) morning Sam Partee, an old colored man of the community, who is cropping for Mr. Andy Winecoff, brought us an open boll of new cotton, requesting us to "put it in the paper." Sam is an industrious negro, and is the first man to show up a new pod of the fleecy staple.

Mr. J. D. Cline, one of the best young farmers of No. 8 township, brought us in an open boll of cotton. He came in a few minutes after the old colored man brought in his. Mr. Luther Ridenhour, his neighbor, and another good farmer, who expected to bring one to town today (Monday).

It was only a few minutes after Mr. Cline had departed until Capt. J. M. Odell presented us with an open boll that he plucked on Saturday, found on his farm just a mile west of the city.

A prominent man said to us: "If cotton would bring ten cents this fall, you would not hear of any free silver again."

Mr. S. J. Durham returned to Gastonia last night, and will begin preparations at once to move his place of residence from Dallas to Bessemer City, where he will engage in the manufacturing of cotton. His brother, Mr. Plato Durham, of Charlotte, is to succeed him in his law business at Dallas.

Rev. R. H. Parker, of Central Methodist church, preached an eloquent sermon Sunday night, the theme of his discourse being that the good and not evil deeds of persons should be commented upon. He is an orator of great ability and his sermon of Sunday night has been highly spoken of.

The baseball game between Forest Hill and Concord Saturday evening was not even an interesting one, the down town boys having done some of the rank playing they have ever been known to do, and did not score a run until in the sixth inning when Brumley crossed the home plate on errors. The score was 22 to 5, in favor of Forest Hill.

By reference to our advertising columns you will see that Mr. J. Whit Burkhead has transferred his insurance business to Messrs. H. I. Woodhouse and B. E. Harris. These gentlemen are thorough business men, correct and courteous. Any one wanting insurance will do well to call on them. They can be found at Cannons & Fetzer's store.
