## THE ASSOCIATION.

Of the Cabarrus Sunday School—The Report of the Recent Meeting—A Resolution.

The seventeenth annual session of the Cabarrus Sunday School Association convened in Bethpage church Aug. 22, 1895, at 10 o'clock, a. m., with Dr. J S Lafferty, president, in the chair.

Devotional exercises were conducted by Rev. W M Shaw, after which followed a very cordial address of welcome by W E Furr. The president made a short response in which he expressed the pleasure of the members of the association in meeting with the good people of Bethpage.

Reading the minutes and enrollment of delegates followed. The attendance of delegates was not as full as could be desired owing to the rainy weather. Eight townships were represented by delegates appointed by the township associations.

Fifteen Sunday schools were represented by a full delegation. Secretary's report showed that eleven townships in the county held conventions.

Treasurer's report was read and adopted, and shows a balance on hand of \$42 for State Sunday school work.

The treasurer was instructed to ask those schools who did not contribute the two cents per capita for Sunday school work to do so at once, so as to make the \$50 asked of Cabarrus by the State association.

Rev. Lancaster delivered a splendid address on the subject: "Those who never attend Sunday school and how to reach them."

Mr. D B Coltrane was present by invitation of the W. O. T. U., and delivered an excellent address on "Temperance work and teaching in the Sunday school."

### AFTERNOON SESSION.

Rev. Lancaster made the report for the committee on chain gang work, and what has been done by the various ministers in charge of the work.

On motion, D B Coltrane was appointed a committee to secure preaching for the chain gang and report same to next meeting of the association.

No. 11. J B White,

No. 12. B E Harris.

Delegates to State association—W R Odell and Dr. J S Lafferty, principals; Rev. B F Davis, Jno. A Fink, alternates.

Rev. B F Davis delivered an address on "The teachers work. Can it be improved, if so—"how?"

W R Odell and others made short talks on Sunday school work.

The following resolution was unanimously adopted:

Whereas, There is among leading

Sabbath school workers of our own country and in England a movement praying the establishment of an annual temperance Sabbath, that is, one Sabbath in the year, on which there shall be concert of action in the churches of our land, making temperance the theme of the day, both in the pulpit and Sabbath school; and, whereas, November 24th, is the day recommended to be observed this year.

Resolved, That the Cabarrus county Sunday school association in convention assembled, heartily endorses the movement and recommendation, and urges each school to take such action as is deemed advisable towards securing the above object.

Signed,

D. B. COLTRANE,  
W. R. ODELL.

Resolution of thanks to the good people of Bethpage for their kind hospitality to the members of the association.

Secretary was instructed to furnish the county papers with minutes of association for publication. Rocky River was selected as the place of next meeting.

Several visiting choirs rendered choice music during the sessions of the association which added much to the pleasure of the meetings.

Will say in conclusion that the large crowd present was more than usually quiet and orderly, and we could not help but feel that much good was accomplished in this, the seventeenth annual session of the Cabarrus Sunday school association.

JNO. A. CLINE,

Secretary.

### Mr. Sherrill Chases A Man.

Tuesday night about 9:30 o'clock Mr. Geneva Sherrill, who lives on Academy street, near Mr. Anthony, went into his backyard for something. He was very quiet, and when off the back steps, he noticed a man perched upon the plank side fence, apparently awaiting the lights to go out inside the house. Mr. Sherrill made his presence known by asking the intruder what his business was and what he wanted there. When Mr. Sherrill had spoken the man made a leap to the ground and ran. The fellow ran against the backyard fence, tearing down several panels. He was chased for some distance before he was lost sight of. It was a white man.

### Two Lives Saved.

Mrs Phoebe Thomas, of Junction City, Ill. was told by her doctors she had Consumption and that there was no hope for her, but two bottles Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result every thing else then bought one bottle of Dr. King's New Discovery and in two week was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in coughs and colds. Free trial bottles at Fetzler's Drug Store. Regular size 50c. and \$1.00.

## RACING GOING ON.

An Aggregation of Fine Racers—Mr. Fraley Claims to Have Been Imposed Upon.

SALISBURY, N. C., August 28.—Some fine racing was had at the fair grounds yesterday afternoon. Quite an aggregation of the best racers in the State and several from outside the state were here. Prominent among the horsemen who had stock on the grounds were L Banks Holt, of Al mance county; Capt. W H Frazier, of Ninety-Six, S. C., and Mr. Engel King, of Washington, D. C. Greensboro, Asheville, Derita and Reidsville were represented.

The Salisbury Racing Association, which as noted in a squib in yesterday's STANDARD, turned out to be a fake, had by the liberal purses offered attracted this array of fine horses to Salisbury. The discovery of the fraud caused considerable excitement among the horsemen who had been duped into coming here, and an explanation was asked for Mr. W T Johnson, secretary, was the only man present who, it appeared, knew anything about the matter. On being interrogated closely he stated that there was no such man as Mr. John C Montclair, who was represented as president of the association. He afterwards said that Mr. Fraley was Montclair. Johnson skipped, leaving his board bill of about \$20 and other bills unpaid, his trunk being layed on for his board. Mr. Fraley disclaimed through the Daily Herald yesterday afternoon any knowledge of or connection with the association, stating that he had also been imposed upon. There will be racing again this afternoon.

### No Danger Now.

Now that "dog days" have come and gone takes a weight from the hearts of the superstitious, who have been sitting idly by and letting the delicious fruit rot for fear if it was put up during dog days that they would lose it. Several parties who have been industriously laboring to preserve their fruit, have lost a great quantity, the loss of which is attributed to dog days. "Dog days" began just seven weeks ago Tuesday, on the 9th day of July, and ended August 27. There is no danger now of fruit spilling, so the story goes.

### Lynched Him.

Rev. Daniel A Long, president of Antioch College, Ohio, took the train here this morning in response to startling intelligence just received.

Miss Grace Freedland, an assistant professor in Antioch College, had been conveyed by her father, an old and wealthy farmer, to visit a neighbor; the old gentleman was returning home unattended, and at a certain point on the way he was assaulted by a colored man and choked to death. The colored man was promptly arrested and jailed at New Richmond, the county seat of Claremont county. A mob was collected quickly and in defiance of every remonstrance the murderer was taken out and hanged to the limb of a sycamore tree. This is the second lynching of colored men near New Richmond within the past two years. —Greensboro Record.

[Will this lynching be told of in the New York Religious (?) Independent? It is on the wrong side of the Ohio, perhaps.]
