**SUSPECTED POISON.**

Crying for the Standard Earthen-Work Progressing—Brick From Concord.

MT. PLEASANT, Aug. 29.—Mary Knott, a colored woman of the town, is critically ill, and the nature of her sickness seems not to be understood. Some persons are inclined to the opinion that it is a case of poisoning. Yesterday she was out in the country, about two miles from town, and while at the home of Jerry Motley, colored, she ate some watermelon. As others ate of the same melon and as no other case of sickness has been reported, it is not likely it had poison in it.

It is Miss Mabel Barrier instead of Miss Margie, who with Mr. D. D. Barrier, is now visiting relatives in S. C. THE STANDARD was not informed correctly.

Work on Moose's drug store was suspended yesterday, no brick being the cause. The work was resumed today, several loads of brick having been brought from Concord.

It would be a great convenience to the readers of THE STANDARD if the paper could be received the same day it is printed. As it is the news is about 24 hours old when we get it.

Dr. J. F. KINCHLOP,

"Our physicians in the children's department have spoken highly of the intelligence in their outside practice with Castoria, and although we only have a limited supply of medical supplies what is known of the merits of Castoria has won us to its favor upon it."
