Picked Up and Put in Shape By Our Mustling Pencil Pusher.

Lost—A pair of eye-glasses with steel rims, in a black case. Reward on their return to this office. s3

Arrangements are being perfected for a lawn party at Forest Hill on Tuesday night next, under the auspices of the ladies of the Methodist church.

Mr. Robert Dove left Thursday night for Baltimore, where he will be under treatment by a special physician for a peculiar trouble puzzling our local physicians.

Mr. Hazellius Suther, a native Concord boy and son of the late Caleb A Cuther, now of near Troutman's, Iredell county, was in the city shaking hands with friends of departed boyhood days.

In all probability, tomorrow's game between Forest Hill and Concord, will wind up the baseball season for this year. A good game is expected by many and everybody is invited to witness it.

Miss Fannie Stricker, a most estimable young lady of this city, has gone to Forest City, where she has accepted a position as instructor in a music school. Forest City is fortunate to secure one so competent.

A number of young ladies and gentlemen picnicked at Glasses Thursday night. "The ride was delightful," says one, "but the dust was almost stifling." The excursion went and returned without accident.

During the absence of Miss Williams, Mr. Bryant, a recent graduate of the University, is localizing for the Charlotte Observer. His first experience, in a new work and among strangers, is a success. He has a nose for news.

A dose of Ayer's Cherry Pectoral taken in time has prevented many a fit of sickness and saved numerous lives. This proves the necessity of keeping this incomparable medicine where it can be readily reached at all hours of the day and night.

A special to the Charlotte Observer from Morven, Anson county, says that the first bale of new cotton was sold at that place yesterday (Thursday) by Steve West. The cotton was purchased by J M Hardison, who paid eight cents for it.

The Salisbury correspondent of the Charlotte Observer says: "The Daughters of the King gave the children an exhibit of curiosities, etc., in the chapter house tonight. The curiosities exhibited were loaned them by Rev. Dr. Davis, of Concord."

Fred Miller, a colored boy of the town, was employed by Mr. Castor to do some work, and on going through the shop to the rear end, the boy's attention was attracted by something in the lot, and not looking where he was stepping fell to the ground from the door, a distance of 7 or 8 feet. His arm was full of lumber at the time, but the boy was not seriously hurt.

It is said that soon after the campmeeting was established at Pleasant Grove there was a staid, unwavering old man in the neighborhood who considered it an unpardonable sin almost for the men and women to sit together during services. Therefore he built a high partition running lengthwise of the arbor to separate the sexes. The night after the partition was finished some one, or ones, tarred and feathered it well. The next day the partition was torn down and has never been erected since.—Monroe Enquirer.

An Unfortunate Youth.

Carlos Dollar, the youthful unfortunate who sometime ago suffered the loss of the sight of one eye and was taken to the county home, was today (Friday) transferred to Charlotte, where a skilled optician will take the case. The sight of the best eye is badly impaired by corneal ulcer and opacity of crystallized lens, and upon advice of Dr. L M Archey, the county physician, the boy was moved. Sympathizing friends contributed quite liberally to defray the expenses of the little fellow, who, if not aided in time, will be entirely blind. The child is about 13 years of age, and his people live on Forest Hill.

Mrs. M L Moore accompanied the boy to Charlotte and will see him safely in the hands of friends.

Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whiskey nor other intoxicant, but acts as a tonic and alterative. No appetite? Then do not try to force food down; but use the most scientific means for restoring tone to the stomach. How? Why, by taking Ayer's Sarsaparilla, and in a surprisingly short time, your appetite will come again, and come to stay.
