**\$1800.00 GIVEN AWAY TO INVENTORS.**  
\$50.00 every month given away to any one who applies through us for the most meritorious patent during the month preceding.  
We secure the best patents for our clients, and the object of this offer is to encourage inventors to keep track of their bright ideas. At the same time we wish to impress upon the public the fact that

**IT'S THE SIMPLE, TRIVIAL INVENTIONS THAT YIELD FORTUNES,**  
such as the "car-window" which can be easily slid up and down without breaking the passenger's back; "success" and "a thousand other little things that most any one can find a way of improving; and these simple inventions are the ones that bring largest returns to the inventor. Try to think of something to invent.

**IT IS NOT SO HARD AS IT SEEMS.**  
Patents taken out through us receive special notice in the "National Recorder," published at Washington, D. C., which is the best newspaper published in America in the interests of inventors. We furnish a year's subscription to this journal, free of cost, to all our clients. We also advertise, free of cost, the invention each month which wins our \$150 prize, and hundreds of thousands of copies of the "National Recorder," containing a sketch of the winner, and a description of his invention, will be scattered throughout the United States among capitalists and manufacturers, thus bringing to their attention the merits of the invention.  
All communications regarding strictly confidential.
