Prefers Republicans to Democrats.

A special to the Baltimore Sun from Raleigh says: Senator Marion Butler, in a letter to a friend here today, said: "Have our friends rest easy with reference to any rumored co-operation or fusion with any party. Nothing will be done in any direction without a full consultation with our friends. All things being equal, I believe that we should stand by those who stood by us during the last campaign in preference to those who fought us. I am surprised to see our friends get so easily excited over rumors published in Democratic papers. If our people had to correct all such rumors by publishing cards they would not have time to do anything else." The rumor to which Senator Butler alludes was that he was participating in a plan for the fusion of his party, the Populists and the Democrats.

[The average man knows no more now than before the Senator spoke. He's one man that can change in a twinkling of an eye. Why, he floats the name Caucasian—his allies are anti-Caucasian.]

A Prominent Citizen Ill.
THE STANDARD regrets to announce the serious illness of Mr. I. Frank Patterson, of China Grove. He has never fully recovered from the grip a year ago and it is the effect of this that has impaired his general health and is making inroads on his vitality.

Mr. Patterson is one of the most useful men of the China Grove section and has done much for that section. He was the prime mover in the cotton mills built there.

Tough on the Boarding House.
On Monday a lady who runs a private boarding house sent a little colored boy to the market for several pounds of beef. While on his way to said market the boy stopped to panhandle a pair of old shoes and when reaching the market it was closed. The boy did not secure the beef but carried parts of one or more under each arm. When the landlady saw what the boy had, she fainted.

Mr. Brown Can Economize.
If Mr. Geo. W. Brown wanted to, he could economize a little. Here's a novel way to fix his sign:

COMING EVENTS

Cast Their Shadows Before Them,
But Unlike Others, this Kicker
Is Bridled.

May be expected at any time within our gates.

Accident One at the New Factory.

The first accident to occur at the new factory building in the city took place this (Tuesday) morning when Will Harris, a colored bricklayer, fell through the scaffold and right badly skinned and bruised himself. No bones were broken but the boy was knocked almost unconscious when he struck the ground, having fallen a distance of about 12 feet. He was not seriously hurt.

Sam Small's Divorced Daughter Re-Marries.

RICHMOND, Va., Sept. 9.—Mrs. Lolla Small Jackson, divorced wife of James R. Jackson, of Knoxville, Tenn., and daughter of Rev. Sam Small, the editor, lawyer, lecturer and preacher was married to Mr. Stewart H. Ford, of this city, here this evening. The ceremony was performed in St. Paul's church by Rev. Dr. Hartely Carmicheal, only two friends of the groom being present. Mr. and Mrs. Ford leave in the morning for a few days at Old Point, where they first met just two weeks ago.

Revenue for the State.

Tuesday of next week the stockholders of the North Carolina railroad will meet in Greensboro to put the road on the tax list, in accordance with the terms of the recent lease.

This is the first fruits of the recent lease. Had the lease not been made, this procedure would probably never have been taken.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results." Trial bottles free at Fetzner's drug store. Regular size 50c. and \$1.00.

To the Citizens of Concord.

On and after the 20th day of this month of August, I will open out a first-class meat market and will be glad to serve the public with their needs in the fresh meat line. My place of business will be in the McNinch store room, first door above marble yard on West Depot street.
Respectfully,
J. F. DAYVAULT.

THE RESERVE IS \$97,710,000.

The Decline Caused by a Withdrawal of \$1,200,000 By New York for Export.

WASHINGTON, Sept. 9.—The Treasury gold reserve at the close of business today stood at \$97,710,000. This decline was caused by \$1,200,000 in gold being withdrawn in New York for export.

In ordinary business the Treasury gained \$400,000 in the exchange of notes for gold at the various sub-Treasuries, of which \$250,000 was gained at Chicago. At the Treasury it is understood that the syndicate will make a deposit tomorrow, which will again make the gold reserve intact. Since July 13th, the beginning of the gold export movement, about \$21,700,000 gold has been sent to Europe from this country. It is stated that within that time the Belmont-Morgan syndicate has paid into the Treasury in excess of bond requirements about \$11,000,000 in gold.

Lovely Decorations—Making a Record.

Much has been said about the artistic way in which the rostrum was decorated with cedar and cotton at Cochrane's schools house Saturday, the work having been done by the school children. Swinging over the stage was a motto designed, and beautifully worked by Misses Mattie Poteet and Minnie Riley. And then it is but just to say that twirler Joe Fisher, who pitched for the country nine in the game of that date, struck out sixteen men. Only four hits were made on him during the game. Joe is making a record.
