NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of **MALARIAL POISON** it stands pre-eminent without a rival or a peer.

No Good Opinion of Fusion—A New Church—Daily Arrival of Students—Some Personal Items.

MT. PLEASANT, N. C., Sept. 10.—A splendid rain fell here yesterday; it was needed.

Students keep arriving at the college and seminary. The attendance will be as good if not better than last year.

Work was commenced on the German Reformed church to-day. A part of the work will be done by the members, some of whom are first-class workmen. The building will be a frame one.

Miss Mollie Suther, of Lexington, is spending a few days at Prof. Ludwig's.

Mr. Leroy Thayer, who owns and manages a drug store at Tatum, S. C., spent a few days with his parents last week.

Cotton should bring a good price this year for the yield will not be large, especially in this section. At this day it seems like a "yarn" to bear people tell of having sold cotton years ago at from 20 to 25 cents per pound. As those times seem likely not to return and as it is said that cotton can not be profitably raised for 5 cents, all farmers ought to begin to build up their lands which have been worn out to a great extent by raising this once money-making crop.

What will we call this "fusion" now being talked? True, it is yet in an embryotic state, but the actions and words of men who have stood high in the councils of the Democratic party, are favorable to its birth. Suffice it to say, we don't want our drinks mixed. The word "fusion" is not to be found in our political vocabulary.

DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHLOE,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
