**NOT LIKE OTHERS**

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

**ROYAL GERMETUER**

and the ordinary medicines of to-day. It is unlike them in

**THESE FIVE THINGS:**

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent without a rival on a peer.

**The Negro at the Atlanta Exposition.**

Chief Commissioner W. O. Coleman, of Concord, N. C., the wealthiest colored man in the State was appointed chief of the negro department of the Atlanta Exposition, was here yesterday on his way to Newbern to ship the exhibits of the recent negro fair there to Atlanta. He tells us that he has been all over the State, speaking, canvassing and getting up exhibits among the colored people.—Wilmington Messenger.

**Promotion for Dr. Crowell.**

It will be a pleasure to his many friends in North Carolina to learn that Dr. Jno F Crowell, formerly president of Trinity College, has been elected to the chair of Sociology in Smith College, Northampton, Mass. This is a richly endowed college for women, ranking very high and having last year an enrollment of more than 800 students. The Doctor has also been engaged to deliver a course of lectures on Sociology at Columbia College, New York, during the coming year.—Durham Sun.

**Marvelous Results.**

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery, it was quick in its work and highly satisfactory in results." Trial bottles free at Fetzter's drug store. Regular size 50c. and \$1.00.

Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
