SAM JONESISMS.

Peculiar Expressions Sandwiched in His Sermons.

You folks that take the front seats and come to roost before sundown—you ought to pay storage.
If I had come here for money, bless your soul, I'd left after the first collection.

I've seen a town where a woman would give \$5, but this is the first town where a thing with breeches wouldn't give more than a dollar.

Every criminal that goes unwhipped of justice is a menace to good citizenship.

Lawlessness in a town is a hot bed of anarchy.

Policemen find everything that the sentiment of the town demands they shall find.

If I was Mayor of this town, you'd have to stay at home, old buck.

No gentleman will do anything he denies his wife the privilege of doing.

Your Uncle Jones lifts the same standard for himself as he does for his wife.

I propose to do you up and put you in decent shape, you dirty scoundrel.

Make Sam Jones Mayor and he'd set up with you bucks. He'd make you decent or make you leave town.

The difference between Sam Jones and many preachers is that Sam Jones preaches like he thinks and they think like they preach.

I'd rather be Bob Ingersoll than a cowardly, time serying preacher.

Old church members charging 12 per cent. interest. If you were in hell you'd have the whole country under mortgage before the year's out.

When me and my wife ride the same horse, I'm going to be in front. Agent for your wife! Pay your debts and you won't have to be agent then.

Turn an old dog loose in heaven and he'd be out before breakfast, chinking gold off the golden streets.

Preachers, load your old fusilade with buck shot, and when you pull the trigger there'll be a dead dog.

When you are in hell frying, you'll feel a heap worse than you do now.

I believe if all the members of the church in Winston were to get to heaven you'd have to sleep with your breeches under your head. They'd rob you.

If you are mad, beg my pardon and I'll forgive you. I don't bear any malice.

I like bangs. I always thought they were becoming to women and mules.

This is scalding and scouring day in this town. Bad day for chinchies, too.

Some of you think Sam Jones shoots off his mouth half cocked. It's a mistake. When his mouth goes off the hammer is pulled clear back.

If you go away yelping folks will say, there goes one of Sam Jones' hit dogs.

There's a possum up the tree. Wait about twenty minutes longer. I'm going to smoke him out. Winston Sentinel.

THE ROUTE OF THE BELL.

It Will Take Nearly Five Days to Go From Philadelphia to Atlanta.

PHILADELPHIA, Pa., Sept. 19.—The revised itinerary of the journey of the committee of the city council's committee with the Liberty Bell to the Atlanta exposition, has been finally completed. The journey will occupy nearly five days.

The party leaves Philadelphia on the morning of October 4th, and arrives in Atlanta at 2 o'clock on the afternoon of October 8th. On the first day the bell will go South through Delaware, Maryland, District of Columbia and Virginia. Short stops will be made at Wilmington, Baltimore, a two hours' rest in Washington, then on through Alexandria, Quantico, Fredericksburg, Milford, Doswell, Ashland and Richmond. The night will be spent in Richmond, and the next day's tour will be confined to Virginia.

Stops will be made at Petersburg, Nottoway, Crewe, Farmville, Lynchburg and Bedford, and night will be spent in en route. The third day's journey will proceed through Christiansburg, East Radford, Wytheville and Glade Springs, in Virginia, and in Tennessee, Bristol, Johnson City, Greenville, Morristown and Knoxville. The next day in London, Athens and Cleveland will be given a sight of the bell, and Chattanooga will be reached at 11:30 on that morning. The afternoon and night will be passed at Chattanooga and on the next day, October 8th, the party will proceed, through Dalton and Rome, Ga., reaching Atlanta at 2 o'clock p. m.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Diamondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Fetzner's Drug store Regular size 50c. and \$1.00.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed, when the languid exhausted feeling prevails when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, dizziness yield to Electric Bitters, 50c and \$1.00 per bottle at Fetzner's Drug store.

MT. PLEASANT NEWS.

Very Little Sickness—Raising Their Own Supplies—Come to Enter School

MT. PLEASANT, N. C., Sept. 18.—There has been very little sickness during the summer, in the town and surrounding country; and at the present time we know of no cases of sickness peculiar to hot weather. The doctors have not been rushed during the past summer.

The continued hot weather is ripening the tops and fodder very fast, and is also causing the cotton bolls to crack.

There has not been shipped here this year a single box of western bacon. This looks like raising "your own supplies." It should be so every year, not only as regards meat, but also grain. When the south, as a whole, sees it is greatly to her advantage to do this, it will be hard on the western and northwestern meat-houses and granaries. By the way, we wonder if this has not had something to do with the silver craze out there.

Mr. Ed Fulenwider and sister, of Monroe, arrived Monday evening to enter school.

A New Tax Law.

One of the new laws passed by the last Legislature that is just now making a stir over the State, is to be found in section 20 of the machinery act. The dealers are required to make two returns per year to the register of deeds, the first from January 1 to June 30. So far, only a few have done so. The law in question says: On every commission merchant, broker or dealer buying or selling, one per centum on his commissions. On every dealer in cigars, cheroots, manufactured smoking or chewing tobacco and cigarettes, an annual tax, five cents per thousand for cigars and cheroots, one half cent per pound on manufactured smoking and chewing tobacco, and five cents per thousand for cigarettes, provided, however, that nothing in this section shall be construed to apply to manufacturers of tobacco, cigars, cheroots or cigarettes; and county, city or town shall be allowed to impose any tax, license or fee on such dealers.—Charlotte News.

Do You Know?

That Concord is one of the best towns in the State and is today in a better condition than most of them.

That there is more building going on than at any time in history of the city.

That you cannot at all times do everything to please everybody.

That we are going to have a big fall trade and the merchants and laborer alike will profit thereby.

That when it rains the dust will likely be settled. We have a number of accounts that will then not be in "sweet harmony."
