GEN. MAHONE DYING.

A Severe Stroke of Paralysis—His Son, Butler, Finds Him in the Bed With the Power of Speech Gone and His Right Arm Useless.

WASHINGTON, Sept. 30.—Ex-Senator William Mahone had a stroke of paralysis this morning. He had been stopping at Chamberlain's Hotel, and this morning his son, Butler Mahone, calling at his father's room, found the general still in bed and apparently very drowsy. Not suspecting anything wrong, Butler left the room, and calling later found his father still in the same condition. He became alarmed and a physician was summoned. After examination the doctor pronounced it a case of paralysis. The right arm is useless and the tongue is paralyzed so that speech is impossible.

Dr. Phillips Wales, one of the attending physicians of General Mahone, late this afternoon stated that the general's condition was critical, owing to the severity of the attack and his advanced age. The paralysis has spread to the right leg. Dr. Wales said that the vomiting and effusion in the head, which had set in, were bad signs and it would not be surprising if General Mahone died before morning. Still, there was a chance of improvement in his condition. Mrs. Mahone, who is at her home in Virginia, has been telegraphed for.

If General Mahone survives the night Dr. Wales and Dr. Baker will hold a consultation to-morrow morning, and during to-night Dr. Baker will be in attendance upon the patient.

A Prominent Lutheran Minister and Educator Dead.

COLUMBIA, S. C., Sept. 30.—Rev. George W. Holland, D. D., Ph. D., died here suddenly of heart disease. Dr. Holland was born in Augusta county, 57 years ago. He graduated from Roanoke College in 1857, and studied theology in Union Theological Seminary, New York, and in Gettysburg Seminary, Pennsylvania, graduating from the latter in 1860. The same year he was licensed to preach by the Evangelical Lutheran Synod of Virginia and filled a church in Harrisonburg until the following year when he joined the Confederate army, losing an arm in the Northern Virginia campaign. He was afterward a professor in Roanoke College, and at his death was president of Newberry College, S. C.

[Just two weeks ago this writer was with Dr. Holland at Staunton, Va. He was then strong, vigorous and intensely companionable. Three years ago he delivered the annual address at North Carolina College, Mt. Pleasant. STANDARD.]

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

from Eastern Cabarrus.

MT. PLEASANT, Oct. 1.—That match game of ball between the college and Barrier nines was played Saturday evening. Each side was anxious to play and doubtless each expected victory. But like all contests the result is always disappointing to some. W W and R W Barrier formed the battery for the Barrier team, and E Fulenwider and H Miller pitched and caught for the college team. As we did not get to take in the whole game we will not attempt to speak of it by innings. When each side had had an inning it looked as if the Barriers would be shut out completely, not one of them reaching the first base. But as the game proceeded they warmed up and by the time the eighth inning was reached they had the advantage. They lost the game in the ninth on account of several errors. The score stood 17 to 13 in favor of the college. The Barriers immediately challenged them to play again next Saturday.

Rev. V Y Boozer, of Burlington, N. C., arrived in town this evening.

There must be a great demand for carpenters these days. Mr. A W Moose is waiting patiently for one to finish his drug store so he can move in.

It is about time for our people to talk "factory" again. It is now about a year since the subject was agitated.

Did You Ever

Try Electric Bitters as a remedy for your troubles? If not, get a bottle now and get Relief. THE BEST FAMILY MEDICINE

She Has Ever Known. Words of Praise from a New York Lady for

AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

AYER'S PILLS

Highest Honors at World's Fair. Ayer's Sarsaparilla Cures all Blood Disorders

SPECIAL TAX NOTICE.

The law of North Carolina. See Chapter 116 Secs. 34, 35, 36 and 37 acts of 1895 requires every Physician, Dentist, Lawyer and Hotel or Boarding house keeper to pay a license tax and take out a license, under a penalty of thirty days imprisonment or fine of fifty dollars, for failure to pay the license tax. The law further makes it my imperative duty to see that the penalty of fifty dollars is enforced. Very few have complied with the law. Unless the parties liable to pay this tax, come forward promptly I will be compelled (unwillingly as I am) to see that the law is enforced.

JOHN A. SIMS, Sheriff.
