Concord, N. C.

CONCORD, OCT. 3, 1895.

The administration and the Legislative powers of Texas have done the clean thing. They say to the world no brutal exhibitions shall come off in their State without a legal protest.

An Illinois farmer walked out into his pumpkin patch the other day, stepped off a 123 foot vine, counted twenty-seven punks on it, and felt so proud that he pulled up the whole outfit and packed it off to the Atlanta exposition.

The Boston Journal of Commerce, discussing the situation and prospects of the South, says: "The trouble with the South, at present time is the people there are land poor. The ownership consists of too large tracts."

NO PRIZE FIGHTING IN TEXAS

Cullerson Carries His Point—The Legislature Almost Unanimously Passes a Bill Making Pugilism a Felony—The Senate Bill, as Amended by the House Will Go Back from the Senate to the Governor for His Signature Today.

AUSTIN, Tex., Oct. 2.—Corbett and Fitzsimmons must find another place than Texas to fight.

The Legislature today, by a vote that was practically unanimous in the Senate and only a little less so in the House, passed the bill prohibiting prize-fighting.

The vote by which the bill was carried furnished the strongest proof of the sentiment of the State with reference to prize-fighting. The only rallying point of the minority was opposition to the emergency clause which carries the bill into immediate effect. Certain of the members honestly regarded this as an injustice to such of the citizens of Dallas as had spent large sums in anticipating of the fight and opposed it for that reason alone. Their arguments were not effective, however, and the vote in the House on the final passage of the bill showed but 5 votes in opposition with 107 in its favor. In the Senate the bill was carried with only one negative vote in the 27 that were cast.

The House is the larger body and several members desired to be heard upon the Senate bill which was substituted for the House bill then pending. Amid applause, a number of amendments were offered. Several were adopted, but these do not change the measure to any material extent except to make it still more effective. As a result of those amendments the bill will be returned to the Senate tomorrow, but its adoption in amended form will be delayed no longer than necessary to call the roll. It will then be sent to the Governor and when his signature shall have been attached it will become a law.

The bill makes prize-fighting a felony and imposes a punishment

upon the principals for every infraction of the law by imprisonment in the penitentiary for a term of not less than two years and not more than five years.

Will They Fight in Mexico?

SAN ANTONIO, Tex., Oct. 2.—If the International and Great Northern Railroad will stand the expense of enlarging the bull-fighting arena at Nuevo, Mexico, the Florida Athletic Club will have the Corbett-Fitzsimmons fight pulled off there.

is health. The secret of health is the power to digest and assimilate a proper quantity of food. This can never be done when the liver does not act its part.

THE BEST FAMILY MEDICINE
She Has Ever Known. Words of Praise from a New York Lady for
AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent ja grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

SPECIAL TAX NOTICE.

The law of North Carolina. See Chapter 116 Secs. 34, 35, 36 and 37 acts of 1895 requires every Physician, Dentist, Lawyer and Hotel or Boarding house keeper to pay a license tax and take out a license, under a penalty of thirty days imprisonment or fine of fifty dollars, for failure to pay the license tax. The law further makes it my imperative duty to see that the penalty of fifty dollars is enforced. Very few have complied with the law. Unless the parties liable to pay this tax, come forward promptly, I will be compelled (unwillingly as I am) to see that the law is enforced.
