J. O. C. BLACK RE-ELECTED.

He Defeated Populist Watson in the Special Election By 2,000 Estimated Majority.

AUGUSTA, Ga., Oct. 2.—The special congressional election in the tenth district caused by the resignation of J. O. C. Black, Democrat, on alleged frauds, was held today, the two candidates being the same as last year: J. O. C. Black, Democrat, and Thos. R. Watson, Populist.

The election passed off very quietly and resulted in the re-election of Black by about 2,000 estimated majority.

The new State registration law passed by the last Legislature was enforced with great satisfaction and proved its wisdom.

Gov. Carr Favors Cuba's Autonomy.

RALEIGH, N. C., Sept. 30.—I am not prepared to express an opinion on the Cuban question or on the policy of the Government. I am aware of the fact that a majority of the people of North Carolina sympathize with the insurgents and that there is a general hope that the autonomy of Cuba will be secured. The seizure of the steamship Southport at Wilmington has developed this feeling. ELIAS CARR.

The Fair Today.

There was, if anything, a smaller crowd at the Fair grounds today than yesterday. It is to be regretted that the Fair Association will not realize expenses this year. They have been exceedingly unfortunate for the past two years and it was hoped that they would receive ample patronage this year to justify them in continuing. It is extremely doubtful, we are told, if there will be any fair next year.—Salisbury World of the 2nd.

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. USGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
