THE BLACK-WATSON CONTEST.

Maj. Black beat Tom Watson a second time. That calamity-howler must be satisfied now that the people do not want him.

This result shows that the Populists are losing ground. Watson did not poll near the vote he did at the last election—in his own county his vote is cut down nearly 200.

The whole Populist movement is fast fizzling out—the only place it cuts any figure is here in North Carolina, and then it's only by the assistance of and association with the Republicans. In doing this they have sold their principles (?) for the return of office.

Two years ago the Populists had 10 congressmen and today only 7, most of whom are from North Carolina. It amounts to nothing.

There is nothing in this state except the office seeking machinery. Let a cog break in that and the thing goes a-glimmering, forever.

More than 5,000 Smiths from Pennsylvania alone fought in the union armies. John was in the crowd several times.

Explorers say that there are places in the Congo River where it is so wide that ships may pass and be out of sight of each other.

A Chicago religious journal advocates a head tax of \$100 on every American going to Europe to spend precious American gold. If that is such a terrible thing for the country how about these marriages of heiresses to foreign titles, which take away in bulks in some cases as much as \$100,000.

According to the Treasurer's statement, made in 1893, there are 38,889 \$10,000 bills in circulation in the United States.

A single spider web, though much finer than a hair, is composed of several hundred filaments of infinitesimal fineness.

Stanly News.

Mr. Tillman Carter, of Palestine, has a gourd his mother raised in 1835 and holds 4 1/2 gallons.

We are glad to learn that Mr. Calvin Bassinger, of lower Rowan, whose leg was amputated some time back, is improving.

Mr. Newbaum, the German, has bought Dr. Littleton's place, one mile north of Albemarle. We are glad to note that he is pleased with this county.

Found Dead in Greensboro.

W H Cauble was found dead on the streets of Greensboro. He had taken the Keely cure for the morphine habit. He enjoyed an income of \$4,000 annually.

THE BEST FAMILY MEDICINE She Has Ever Known. Words of Praise from a New York Lady for AYER'S PILLS

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled."

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs. They are easy to take, and are, indeed, the best all-round family medicine I have ever known.—Mrs. MAY JOHNSON, 368 Rider Avenue, New York City.

SPECIAL TAX NOTICE.

The law of North Carolina. See Chapter 116 Secs. 34, 35, 36 and 37 acts of 1895 requires every Physician, Dentist, Lawyer and Hotel or Boarding house keeper to pay a license tax and take out a license, under a penalty of thirty days imprisonment or fine of fifty dollars, for failure to pay the license tax. The law further makes it my imperative duty to see that the penalty of fifty dollars is enforced. Very few have complied with the law. Unless the parties liable to pay this tax, come forward promptly, I will be compelled (unwillingly as I am) to see that the law is enforced.
