There is a difference between medicines and medicines.

Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

and the ordinary medicines of to-day It is unlike them in

THESE FIVE THINCS: 1. It does not taste like a medi-

cine. It is as pleasant to take as lemonade and makes a most refreshing drink. 2. It never nauseates the most delicate stomach.

3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.

4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.

5. It does not patch simply, # cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that

have never been equaled. Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent without a rivel con a stands of the stand
