### WAIVES EXAMINATION.

Ritch is Held Without Bail and Will  
Be Tried at the January Term of the  
Criminal Court.  
KNOXVILLE, Tenn., Oct. 21.—  
Charles Ritch, held for the murder  
of Thos. Breen last Tuesday night,  
waived examination and the case  
goes to the January term of the  
Criminal Court. Bail was not al-  
lowed.

Said to Have Been Seen in Concord.  
Salisbury World: Chas. F Ritchie  
went South yesterday, presumably  
to Concord. Charlie wouldn't tell  
his destination.

The Big Races.  
J F Wray, secretary, writes that  
Gentry and Patchen will race at  
Reidsville on October 31st.  
The purse will be \$2,000. Ample  
accommodations will be made for the  
entertainment of the crowd.

As the track is a mile one every-  
body can see the race, even should  
there be 20,000 people on hand.

Brought Cotton Here and Took it  
Back.  
Some farmers brought cotton to  
market Monday and, finding that  
the price had made a big tumble,  
hailed it back home.

This begins to look like the farm-  
ers are taking the bears by the back  
of the neck and shaking them up.  
That's right—shake the gizzard out  
of them!

Hanged Herself for Love.  
Miss Nellie Easley, a handsome  
and highly cultured young lady, 21  
years old, of Mount Washington,  
Ky., committed suicide Thursday  
night by hanging. She placed a  
rope over the limb of a tree, got on  
a chair, placed the noose over her  
head, and kicked the chair from  
under her. Unreciprocated affection  
was the cause. This is not half so  
bad as "incompatibility."

Thirteen Heads and Five Tails.  
A reporter was in the Odell Com-  
pany's store recently when a crate of  
cabbage was being opened and in  
the lot was found a piece of stalk  
with thirteen well formed heads of  
cabbage upon it. They were as  
large as ordinary Mountain apples.  
In speaking of this freak one of  
the clerks told that the store owned  
a cat that has curly hair and five  
tails. We were shown the cabbage  
heads, but the cat with so many  
tails was not produced.

Head and Foot Work.  
A foot ball team has been organ-  
ized at the Concord High School.  
which will be a source of exercise to  
the foot and body as well as the  
books are to the head and mind.  
A movement is under consideration  
for the organization of a team at  
the graded school, and if such is  
effected, you may expect to hear of  
some good games and some broken  
arms or legs and an occasional rib  
or two, to say nothing of large  
blue eyes and doctor bills.

It May do as Much for You.  
Mr. Fred Miller, of Irving, Ill.,  
writes that he had a severe kidney  
trouble for many years, with severe  
pains in his back and also that his  
bladder was affected. He tried  
many so called kidney cures but  
without and good result. About a  
year ago he began use of Electric  
Bitters and found relief at once.  
Electric Bitters is especially adapted  
to cure of all kidney and Liver  
troubles and often gives almost in-  
stant relief. One trial will prove  
our statement. Price 50c. and \$1.00,  
at Fetzer's drug store.

### WAS SCENT.

A small boy was to the drug store sent,  
A prescription to get filled,  
On his return the bottle fell,  
'And the whiskey—it was spilled.  
The flush that arose to the small boy's  
face  
Was as deep as a red, red rose,  
But split, as it was, in a public place,  
'Won't paint another nose.  
The young man stood and gazed upon  
The scene with great intent,  
And longed to be on the same old road—  
The one that the whiskey went.

More Than New York or Charlotte.  
A drop of 80 points in the price  
of cot'on in the past several days  
has caused a general "hubbub" with  
every man—town and country, but  
while cotton in New York and in  
Charlotte is bringing only 8.25,  
Concord buyers are paying 8.40 to-  
day (Tuesday), just fifteen points  
more than the larger markets. Only  
about 20 bales were sold to-day.

'Neath the Willows.  
For several years past at the be-  
ginning of the cold weather tramps  
have been in the habit of building a  
camp ground below the depot, near  
the railroad bridge, and this year  
they are unusually well prepared for  
"hobo" life, having selected a site  
below the one of former years  
"neath the willows by the stream,"  
in a quiet unsuspecting place.

Got His Dinner.  
Proctor, a traveling evangelist  
struck town this (Tuesday) morn-  
ing, and just at dinner time he  
hailed a certain young, but by no  
means a small man, at the front yard  
gate and asked if he might go in  
and hold a reading and prayer ser-  
vice. His request was granted, after  
which the young man told the evan-  
gelist that he was going out to din-  
ner and extended the stranger an in-  
vitation. In accepting the stranger  
said: "I never refuse to eat." The  
evangelist says he has a daughter  
with him.

He's a Big Man, But Out o' Sight.  
A rumor went flying over the  
city this (Tuesday) morning that  
Cleveland and party would arrive at  
the Concord depot at 9:30 from  
Washington and would stop several  
minutes to meet the northbound  
regular scheduled passenger train.  
The rumor, of course was without  
foundation and a number, probably  
fifty people, went down to review  
the President, the party and the  
splendor in which they were being  
transported, but these few admirers  
turned back upon their trodden  
paths with remorse and disappoint-  
ment. The "special" bearing this  
honored party passed here at the  
rate of sixty miles an hour, and had  
been gone an hour or more. Several  
who had gone down to the station  
quite early state that the Old Man  
was "out o' sight," and that they  
merely heard the train when it  
went by.

The Ideal Panacea.  
James L Francis, Alderma, Chi-  
cago, says: "I regard Dr. King's  
New Discovery as an Ideal Panacea  
for Coughs, Colds and Lung Com-  
plaints, having used it in my family  
for the last five years, to the exclu-  
sion of physician's prescriptions or  
other preparations."  
Rev. John Burgus, Keokuk, Iowa,  
writes: "I have been a minister of  
the Methodist Episcopal Church for  
50 years or more, and have never  
found anything so beneficial, or  
that gave me such speedy relief as  
Dr. King's New Discovery." Try  
this Ideal Cough Remedy now.  
Trial bottles free at Fetzer's drug  
store.

### MASONS IN SESSION.

Meeting of the Supreme Council of  
Inspectors General in Washington.  
WASHINGTON, Oct. 21.—The su-  
preme council of the Inspectors  
General of the thirty-third degree,  
ancient and accepted Scottish rite of  
free masonry in the southern juris-  
diction of the World, began a bi-  
ennial session at the house of the  
temple here at noon today, and will  
remain in session until Friday or  
Saturday.

The lieutenant and acting grand  
commander, Thomas Hubbard Case,  
well of California, presided. The  
first business of importance will be  
the election of a grand commander  
to succeed the late Philip C Tucker,  
of Texas, who died in the house of  
the temple about a year ago. It is  
understood that Mr. Casewell will be  
elected without opposition and his  
election will cause a promotion along  
the line. A number of important  
questions will come up for consider-  
ation, among them, that relating to  
the right of deputies to communi-  
cate degrees and collect the fees for  
the supreme council.

The question of merging the  
southern and northern jurisdiction,  
which was agitated for some time  
after the death of Albert Pike, will  
not be brought up at this session.  
The Provincial Grand Lodge of  
the Royal order of Scotland for the  
United States, although not officially  
related to the Scotland Rite always  
meets during supreme council week,  
as most of the members belong to  
the rite.

Foreign Corporations Must Pay a  
State Tax.  
The Anxour Packing Company of  
Chicago does business at several  
points in this State. At Wilmington  
a tax of \$200 was imposed on the  
company in accordance with section  
36 of the Revenue Department,  
which imposes a tax of that amount  
on all corporations with a capital  
stock of \$500,000 or over. The  
company addressed a letter from  
Chicago to Treasurer Worth, pro-  
testing against paying the tax. They  
took the position that it was applic-  
able to corporation in the State and  
not those out of the State.

Attorney-General Osborne in giv-  
ing his opinion to the Treasurer,  
stated that the tax was as applic-  
able to foreign corporations as to  
local ones. The Treasurer will see  
that the tax is paid. This is an im-  
portant ruling, as it will reach  
many foreign corporations doing  
business in the State.

Mr. B F Rogers Among Them.  
RALEIGH, Oct. 21.—Gov. Carr to-  
day appointed the following as dele-  
gates from North Carolina to the  
Commercial Travelers' Congress,  
which meets at Atlanta, Ga., Novem-  
ber 13th: George E Crabtree, of  
Goldsboro; Jack Barnett, of Wil-  
mington; James A Higgs and Brown  
Pegram, of Raleigh; N F Alston,  
of Warrenton; Peter P Yates, of  
Greensboro; William C Lindsey and  
Peter E Beard, of Salisbury; W B  
Meares, of Linwood; B F Rogers,  
of Concord; E P Albee, of Wins-  
ton; W W Watt, of Charlotte; W  
H Williams, of Newton; Van B  
Moore, of Asheville.
