BACKACHE AND RHEUMATISM relieved by Dr. Miles' Nerve Plasters.

RUFUS HEAVILY CANED.

He is Loaded Down Under a Great Load—Orator Biggs Shoots Him in Public With Fifteen Minutes of Compliments.

The Raleigh News and Observer, of Sunday, gives an account of the State Fair Marshalls Ball, and THE STANDARD runs its knife around a part which is herewith reproduced: At 11 o'clock Maj. Samuel F. Tel fair, in a few pleasant words, introduced Mr. J. Crawford Biggs, of Oxford, who had been selected on the part of the marshalls to present to their chief, Mr. Rufus L. Patterson, of Durham, a handsome gold headed cane as a token of their high esteem and regard.

Mr. Biggs arose and paid a beautiful tribute to the women of North Carolina and to the State's chivalry. He lauded the State Agricultural Society for the selection of so excellent a man as Col. Julian S. Carr, of Durham, as president, and then in a pleasant and delightful manner delicately complimented him for his choice of such a chief as Mr. Patterson has made. No Chief has ever done more or thrown more enthusiasm into the work for the good of the fair than Mr. Patterson, and his assistants recognized his ability and appreciated his sterling worth. Mr. Biggs closed his remarks with a compliment to the social success, and looking around him said: "Never has there been assembled together in the State a more beautiful representation of her beautiful women or chivalrous men."

Mr. Patterson seemed deeply moved by the feeling outwardly shown by the marshalls, and in a brief speech thanked his assistants.

Mr. Patterson is a courteous and courtly gentleman and has won the esteem and confidence of all with whom he has come in contact, and though they wish him all joy it was the regret of his many friends that in a few weeks he will be disqualified for service in 1896.

Much credit is due to Mr. Patterson's selections of his assistants, for the good order kept at the grounds.

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Pitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.

The Year Round

Some Medicines belong to one season and some to another.

DR. KING'S ROYAL GERMETUER
IS IN SEASON ALL THE YEAR ROUND.

IN THE SPRING

It purifies the blood, removes languor and depression, invigorates and exhilarates the whole system.

IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles resulting from that cause.

IN THE WINTER

It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that belong to cold seasons.

It does these things, not in a feeble and uncertain way, but with assured and triumphant power.
