A REMARKABLE ESCAPE.

**A Young Lady Jumps from a Train
Running Over Sixty Miles an
Hour.**

Weldon News: Wednesday night of last week Miss Mary Burnett, of Charleston, S. C., who was a passenger on the South-bound fast train of the Atlantic Coast Line jumped through the window adjoining her berth, while the train was speeding along at the rate of sixty miles an hour, and, strange to relate, her injuries are not such as to cause serious results.

Miss Burnett was visiting relatives near New York City, and owing to mental troubles it was deemed advisable to send her home, and as a precaution a gentleman accompanied her.

Her absence from the sleeper was discovered soon after her jump from the rapidly moving train, near Stoney Creek, and a searching party was sent back to look for her. She was soon found and was brought to this place on the Atlanta Special, and placed in charge of Dr. I. B. Green.

The doctor found that Miss Burnett had sustained severe bruises about the head, but no fracture of the skull or internal injuries resulted from her rash act. She was given the proper attention and was rendered as comfortable as possible. Thursday night she was sent home on the fast train.

Another remarkable thing about the miraculous escape is that the shock completely restored the young lady to her right mind. For some time her mental troubles had given her relatives and friends serious alarm, and her restoration is regarded as a miracle.

Stricken With Paralysis.

Mr. David Parish, who has been in feeble health for several months past, suffered a stroke of paralysis Tuesday night last, and there are fears for the result. His many friends regret to hear of his serious affliction and condition.

Answering Calls.

Ladies who are candidates for the proposed trip to the Baltimore exposition took advantage of the bad weather today and have employed most of the time of the salesman in answering questions and setting forth the conditions. The rush is all on Mr. Stuart.

The Wedding Today.

The marriage spoken of by THE STANDARD of Tuesday, to take place in Bay's Chapel tonight, will not be as announced. At the home of Mrs. Hampton, on Valley street, promptly at 1 o'clock today (Thursday) Mr. Charles L. Eagle was married to Miss Ida C. Lentz, Rev. J. R. Moose officiating. Quite a number of friends were present to witness the ceremony.

Robbed on the Train.

Salisbury Herald: Maj. S. J. Remberton, who came in on No. 30 last night, tells the Herald of a robbery on the train. At Greensboro ex-Governor and Mrs. T. M. Holt, of Haw River, accompanied by Dr. and Mrs. E. C. Laird, of Greensboro, the latter Goy, Holt's daughter—got on the train to come to Holtsburg. Shortly after the train left the station the conductor came around to collect tickets, and on looking for his Dr. Laird discovered that it was gone, together with his pocket book and money. The amount of the loss was not learned.

Nine Cent Cotton.

As THE STANDARD predicted several days ago, cotton has advanced to 9 cents. Several bales brought that price yesterday and today (Thursday), although the receipts at the platform were very light. Since the recent decline the farmer has had a reason of holding back, but with the advance, will now come a-rolling in.

A Sensible Faculty.

It is said that the faculty of Wake Forest college has at last "set down" upon football. They are reported as forbidding any more games to be played off the college grounds, whereupon the students refuse to comply, and say they will not go in any of the athletic halls or take in any college sports. Things are in this state now. It remains to be seen whether the faculty or students will win.

Get the Gold Medal.

The Messrs. Odell had a magnificent display of their products at the recent State Fair. It was full, complete and tastily arranged. Secretary and Treasurer W. R. Odell received a letter from Secretary Nichols of the Fair, that the Odell Mfg. Company had received the gold medal for the best and largest display of factory products.
