BACKACHE AND RHEUMATISM relieved by Dr. Miles' Nerve Plasters.

#### The Billyville Banner.

As every man in our congregation at camp meeting tried to borrow a quarter from us we did not deem it advisable to take up a collection.

During our absence the Billyville bank failed. But, as usual, providence was on our side, for we were overdrawn \$6.

We have been invited to no less than sixteen banquets since our stay in Atlanta. If the thing keeps on we'll get enough to last us 'till summer.

We don't want any dispensary bill in ours. This thing of climbing to the roof of a six-story building and sliding down the chimney in order to hear a blind tiger howl is too much for poor human nature.

#### Bill Nye's Reception.

NEW YORK, Oct. 30.—Humorist Bill Nye delivered a lecture last night on "Farming Exposed." It is alleged that Nye was not well received and when he started for the depot early this morning he was assaulted by a crowd who presented him with a number of overripe eggs. Several of them landed on his person.

[All this in the great North.]

A New Jersey woman shook her husband to join the Shakers.

### TAX NOTICE.

I have visited every township in the county after due notice of time and place, for the purpose of collecting taxes as the law requires. I will be in my office hereafter, and I respectfully urge the tax payers to come forward and pay their taxes, as the law compels me to collect earlier than has heretofore been required of sheriffs. I notify tax payers that I will (positively) on November 15th begin to levy and advertise property for sale for taxes.

Very Respectfully,  
JOHN A. SIMS,  
Sheriff.

# CASTORIA

for Infants and Children.

## MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

**Do You Know** that opium and morphine are stupefying narcotic poisons?

**Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

**Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

**Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

**Do You Know** that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

**Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

**Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

**Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

**Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Pitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.

# The Year Round

Some Medicines belong to one season and some to another.

### DR. KING'S ROYAL GERMETUER

IS IN SEASON ALL THE YEAR ROUND.

#### IN THE SPRING

It purifies the blood, removes languor and depression, invigorates and exhilarates the whole system.

#### IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

#### IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles resulting from that cause.

#### IN THE WINTER

It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that belong to cold seasons.

It does these things, not in a feeble and uncertain way, but with assured and triumphant power.

Keep It in the Home at All Times.
