Lawlessness in Eastern Surry.

Mount Airy News: We have meager particulars of a bad affair which occurred in the Stone Mountains, 8 miles east of town, on the Mount Airy and Stewart road, last Saturday night. Charley and John McBryde, brothers, who live about six miles north of town, were on their way to Stokes county to visit their sister, when they met a party of five or six men in the road, said to be from Westfield, going in the opposite direction. Something was said about giving the road, when the Westfield crowd opened fire on the McBryde brothers, some twenty-five shots being fired. When the smoke of the battle cleared away it was found that Charley McBryde had been seriously shot. His brother John went to some residences in the neighborhood and secured assistance and moved him as far as possible in the direction of Cresman's, but was finally compelled to stop with him in the woods, where he remained until next morning.

After the battle in the road the Westfield crowd went to the residence of Les Goins, a dissolute woman living near, and proceeded to demolish things generally. They tore down the chimney, knocked out one side of the house, broke up the headstead, threw all the clothing and bedding into the yard, and made a bonfire of it, and then set fire to the house. We are not informed as to what became of the old woman while this was going on. The house would undoubtedly have been destroyed, but the crowd that John McBryde had aroused arrived on the scene in time to put out the fire and save it.

Charley McBryde, the wounded man, was attended by Drs. Ed and Joe Hollingsworth. The ball entered above the right groin, passed through the bowels and lodged about an inch and a half from the backbone. The wound is a serious one, and it is not improbable that he will die.
Drew Cook, William Adams, John Owens, and two Reynolds negroes, were arrested charged with being the perpetrators of the crime. They had a hearing yesterday before Squires Richardson and Snoddy, and all succeeded in proving alibis and were discharged.

TAX NOTICE.

I have visited every township in the county after due notice of time and place, for the purpose of collecting taxes as the law requires. I will be in my office hereafter, and I respectfully urge the tax payers to come forward and pay their taxes, as the law compels me to collect earlier than has heretofore been required of sheriffs. I notify tax payers that I will (positively) on November 15th begin to levy and advertise property for sale for taxes.

Very Respectfully,

JOHN A. SIMS, Sheriff.

DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
