CONCORD, NOV. 11, 1895.

Will some one tell us where ex-Senator Jarvis is? What's become of the series of lectures with a silver lining that were promised the State?

Out of the 400,000 women eligible to vote in Massachusetts only 12,000 registered before the last election, from which it may be inferred that the women of that state are not banking much for the ballot.

Paris policemen recently put a stop to some pyrotechnic displays on the suburbs of that city notwithstanding that the lady who had provided them for the entertainment of her friends was simply celebrating the death of her husband.

The old sheriff knows when to issue Thanksgiving proclamations. He had too much sense to postpone it until after the election.

Obliterated from the face of the earth: the Populists. No where can they make a shadow except in North Carolina. They disbanded in Indiana, where they had no election.

Tuesday's election: one of the offsets of an off year.

Big Majority in New Jersey.

New York, Nov. 8.—The official majority vote for Governor in New Jersey; Griggs 28,822, McGill 7,800. Griggs' plurality 20,822.

Of the seven Senators voted for five Republicans and one Democrat were elected, one being still in doubt.

Of the sixty assemblymen elected forty are surely Republican, thirteen as surely Democratic and seven are still in doubt.

A Household Treasure.

D W Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G A Dykeman Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Fetzer's Drug Store. Regular size 50c and \$1.00.

The Weekly Cotton Statistics.

LIVERPOOL, Nov. 8.—The following are the weekly cotton statistics: Total sales of the week, 60,000; American, 51,000; trade takings, including forwarded from ships' side, 69,000; actual export, 5,000; total import, 104,000; American 81,000; total stock, 912,000; American, 792,000; total afloat, 171,000; American, 165,000; speculators took 2,300; exporters took 2,900.

Cotton Seed This Year.

HARRISBURG, N. C., Nov. 11.—Mr. E C Walker, agent for the Southern Railway company at this place, left this evening for Reidsville, N. C. It is rumored that Mr. Walker will be married before his return to one of Reidsville's most charming daughters.

Miss Fannie Stafford, of Concord, was here, yesterday, visiting relatives.

Messrs. H I Alexander, Will Kepler and A L Barrett returned from Charlotte last night.

Mr. R F Grier, one of Fort Mill's, S. C., enterprising merchants, was here a few days ago looking after some business interests.

Mr. Jay Harris, a popular young man of this vicinity, is now clerking for Mr. M M Morrison.

Owing to the very low price of cotton seed the shipments have not been as heavy as was the same last year.

Mr. Clifton, night operator at this place, is still with us. We would be glad if the Southern Railway Company would make this a regular night office.

Master Jay Sims, of Concord, was here yesterday visiting his girl.

VIGILANT.

He Cursed Sam Jones.

Winston Sentinel: A citizen of Dalton says that a man by the name of Shultz, who died suddenly near Dalton a few weeks ago, attended the Sam Jones meetings in Winston, Shultz was very wicked and while the evangelist was preaching used horrible oaths against Mr. Jones. His sudden death, it is thought, was brought about by intoxication.

Restrained by Pride.

Magistrate—What is the charge against this man?

Officer—Beating his wife, Your Worship; but here's a statement from his wife that he didn't hurt her.

Magistrate—Why isn't she here to testify in person?

Officer—She doesn't like to come into court with two black eyes and a broken nose, your honor.—Tid-Bits.

An Insane Man Kills His Daughter

WINSTON, N. C., Nov. 9.—An insane man named Reed, living near Grogansville, Rockingham county, attacked one of his daughters yesterday with a knife, cutting her throat almost from ear to ear. He then seized an axe and buried the blade of it in her body, killing her instantly.

CANCER CURED

—AND A—
LIFE SAVED
By the Persistent Use of
Ayer's Sarsaparilla

"I was troubled for years with a sore on my knee, which several physicians, who treated me, called a cancer, assuring me that nothing could be done to save my life. As a last resort, I was induced to try Ayer's Sarsaparilla, and, after taking a number of bottles, the sore

began to disappear and my general health improve. I persisted in this treatment, until the sore was entirely healed. Since then, I use Ayer's Sarsaparilla occasionally as a tonic and blood-purifier, and, indeed, it seems as though I could not keep house without it."—Mrs. S. A. FIELDS, Bloomfield, Ia.

THE RACKET

Large profits no longer come from merchandise sold at 50 to 100 per cent. on a credit of from one year to eternity, only four out of every hundred credit merchants ever succeed. We prefer 20 per cent. cash to a struggle with 96 chances against us.

Last Saturday we placed a lot of gingham on sale at 2 1/2 cents per yard and a lot of good towels that we snapped up at 50 cents per dozen that sell regularly at 10 cent each. We marked them 5 cent each. The gingham went before sun-down and the towels before we closed. When we counted out our cash we had our money invested in these and 20 per cent. profit ready to invest again Monday.

This week we have on sale a lot of Seaside novels worth 10 cents each. We have put four in a bundle and sell the lot for 5 cents, just 1 1/2 cent for 10 cent novels. Clothbound novels at 15 cents! The Life of Jefferson Davis, by Mrs. Davis. Sold by subscription at \$8.00 per set of 2 vols, our price is \$2.90. Rollins Ancient History in 4 vols for \$2.25.
