His Enterprise About to Get Him Into Jail.

DES MOINES, Ia., Nov. 18.—The jury in the Federal Court yesterday morning returned a verdict of guilty against Charles H. Dale, a reporter for the Daily Courier, of Iowa, Ia., who was charged with violating the internal revenue law and with impersonating a Federal officer while engaged in investigating for his paper the alleged crookedness of United States marshals and an agent sent from Washington. He will be sentenced Thursday. The extreme penalty for the offence is three years in the penitentiary and \$1,000 fine.

A Negro Boy Shoots a White Girl—A Crowd After Him.

WINSTON, N. C., Nov. 18.—Bob Scales, a young colored man bound to a farmer named John Meader, near Madison, today shot and fatally wounded the 12-year-old daughter of Thomas Belton, a tenant on Meader's place. The negro went to Belton's house while the latter was away from home and tried to get the girl to go with him to a piece of woods. She refused and began to scream. Scales told her he would kill her if she declined to accompany him, and at the same time drew a pistol from his pocket and shot her above the left eye. Scales is only 16 years of age. He has the reputation of being a bad character. Officers and a mob of citizens are hunting for him and if caught he will certainly be lynched. A report received to-night says they are on the fiend's track.

For Over Fifty Years.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel P. Fitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Sam. P. Fitcher* is on every wrapper.

NOT LIKE OTHERS

There is a difference between medicines and medicines.

Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and that of MALARIAL POISON it stands preeminent without a rival or a peer.
