TAX NOTICE.
I have visited every township in the county after due notice of time and place, for the purpose of collecting taxes as the law requires. I will be in my office hereafter, and I respectfully urge the tax payers to come forward and pay their taxes, as the law compels me to collect earlier than has heretofore been required of sheriffs. I notify tax payers that I will (positively) on November 15th begin to levy and advertise property for sale for taxes.
Very Respectfully,
JOHN A. SIMS,
Sheriff.

The First Marriage.
The first marriage in the Lutheran church was celebrated a few minutes after 5 o'clock Thursday afternoon, November 14.
The contracting parties were Miss Virginia Alma Stafford, of this city, and Mr. Norman Franklin Hancock, of Muskogee, Indian Territory.
The Lutheran ceremony was impressively performed by the pastor, Rev. W. A. Lutz.
The church was filled with friends of the bride and groom, and a beautiful, simple wedding it was. Lovely floral decorations covered the pulpit altar.
The wedding march was played by Mr. James Shepperd.
The ushers were Messrs Rawley Galloway and M. W. Norfleet. Just before the bridal couple entered they marched up the left aisle, while Misses Mamie and Lula Stafford, sisters, proceeded up the right aisle. Upon reaching the altar Miss Mamie crossed over to the left aisle, while Mr. Norfleet proceeded to the right.
The bridal couple marched up the left aisle to the altar, where the officiating minister pronounced them husband and wife—"in the name of the Father, Son and the Holy Ghost."
The bride was becomingly attired in a traveling dress. She is known by a large circle of friends in Winston-Salem, and is loved by them all.
The groom is a stranger here, but his brief stay in the city has added many friends to him.—Winston-Sentinel.

Anxious to Leave This Cruel World.
Wright Medlin yesterday afternoon conceived the idea that life had no joys for him, and in a Mangum street saloon attempted to drink a glass of laudanum. The clerk prevented him from doing so. After this he made an effort to get laudanum at the drug store of Vaughan and Sneed & Thomas but was refused. It is said he did get some somehow, and was finally arrested and locked up. In the guard house he tied his suspenders around his neck and fastened them around a bed post, and stretched out. But he did not end his life in that way, either.—Durham Sun.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Pitcher* is on every wrapper.

Children Cry for Pitcher's Castoria.

NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent without a rival or a peer.
