## MR. GLENN'S SCHEME.

Proposes That Winston Help the Bar Keepers Close Up.

Raleigh Press-Visitor: Winston is evangelist-mad. The coming of loquacious and original Sam Jones, followed by the less witty, but more thundering denunciation of Bill Fife, has turned the city upside down. Everybody has professed religion, nearly, from the most hardened sinners to men who have been pillars of their churches for years. Every bar-keeper was converted. They assert that they would immediately close their places if they could support their families after so doing.

District Attorney R. B. Glenn is one of those who has been re-invested with the spirit. The matter of bar-keeping has worried him a great deal, and he is the man who has proposed the practical plan that Winston support its bar-keepers until they find other means of supporting their families.

## He Got the Persimmons.

From a friend in Florida Mr. Robert Griffin, clerk at Mr. J. P. Allison's store, received two of the largest persimmons ever exhibited in this city. They are of the Japanese variety. He will open them on Thanksgiving day.

# CASTORIA

for Infants and Children.

## MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

**Do You Know** that opium and morphine are stupefying narcotic poisons?

**Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

**Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

**Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

**Do You Know** that Castoria is the prescription of the famous Dr. Samuel P. Fitcher, that it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

**Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

**Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

**Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

**Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

**Well, these things** are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Fitcher* is on every wrapper.

# NOT LIKE OTHERS

There is a difference between medicines and medicines. Those of to-day, as a rule, differ from those of the past in many respects. Fully as great is the difference between Dr. King's

## ROYAL GERMETUER

and the ordinary medicines of to-day. It is unlike them in

## THESE FIVE THINGS:

1. It does not taste like a medicine. It is as pleasant to take as lemonade and makes a most refreshing drink.
2. It never nauseates the most delicate stomach.
3. It does not swap off one disease for another. It does not set up one form of disease in order to relieve another as is so often the case.
4. It contains no alcohol or opium in any form and is always harmless even when given to a babe one day old.
5. It does not patch simply, it cures. It reaches as nothing else does to the hidden sources of disease in the blood and removes the cause. It does this with an ease and power that have never been equaled.

For all troubles of the Blood, Stomach, Bowels, Kidneys and Nerves, and for all forms of MALARIAL POISON it stands pre-eminent without a rival or a peer.
