A Musical Town.
MT. PLEASANT, November 26—Mr. Jesse Skeen has a large fat hog to kill sometime between now and Christmas. Last week one of his rivals in the pork line concluded to kill his heaviest hog, and asked Mr. Skeen to kill his also. But he would not consent, saying that the weather was not cold enough. His rival knew that this was not the true reason, but did not on that account put off the butchering. Now he wishes that, when Mr. Skeen kills his brag hog, no scales can be found on which to weigh it.

Last week was set apart by the members of the Women's Missionary Society of the Lutheran church, as a week of prayer and self-denial. They concluded with a special meeting on Saturday night, when short addresses were made and reading and recitations were given. The amount collected at this meeting was thirteen dollars. The women seem never to tire at this work.

Rev. V. Y. Boozer, of Burlington, N. C., came over from Concord Saturday evening. It is useless to say that it was remarked by one, that on Saturday night, there were two "Happy" Boozers at the Seminary.

It has been said that Mt. Pleasant has more musical talent than any other town of her size in the state. While there are a few, who, if they heard "Dixie" rendered, might think it was "Old Hundred," yet these constitute a small minority. We have now and have had for years a splendid cornet band. It is now under the leadership of Mr. S. J. Ludwig, a born musician, who is competent to fill a position in any band in the State. To tell the truth we have music of all kinds from a crying babe to the "pie-an-ner."

Bits of China From the Grove.

CHINA GROVE, Nov. 26.—The graded school is now running in full blast, the enrollment is over 130, the largest in the history of the school. This speaks well for Dr. Trexler, who is the efficient principal.

There will be Thanksgiving service at St. Mark's on Thursday. Rev. Mr. Schalenbarger of the Reformed Church will preach the sermon.

Mr. Shuford Peeler, who has been keeping books for his father in China Grove, will start to Newton to attend school, after the Xmas holidays.

The brick store of F. W. Bost is nearing completion. When completed Mr. Bost will have a very roomy and commodious store, situated in the business part of this thriving little town.

While hauling wood Monday, Mr. H. J. Bost sprained his ankle. The joint is very much swollen and quite painful.

Wilhelm & Son are still ginning the fleecy staple; they say they have made money this year ginning. B.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City, Ill., was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says that it saved her life. Mr. Thomas Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching Consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples that prove the wonderful efficacy of this medicine in coughs and colds. Trial bottles at Fetzer's Drug Store. Regular size 50c. and \$1.00.

Castoria.
"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."
Dr. G. C. USGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other hurtful agents down their throats, thereby sending them to premature graves."
Dr. J. F. KINCHELOE,
Conway, Ark.

Castoria.
"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."
H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."
