The numerous cures of rheumatism by the use of the old standard blood-purifier, Ayer's Sarsaparilla, show conclusively that it is an effective remedy, if not indeed the specific, for the most painful and persistent of maladies. What has cured others will also cure you.

A vestibule fronting on West Depot street is in course of construction at the Episcopal church. This addition will greatly enhance the appearance of the quaint looking little church, which is already one of the most attractive in the city. **A Young Preacher.**

Rev. L H Triplett, who has been laboring with his brother in the Salisbury circuit, but who was removed to the Iredell circuit, by the last conference, is probably the youngest minister in the State. He is only 19 years old but Mr. J A Hudson tells us that his discourses are eloquent and that he is one of the best preachers ever on the Salisbury circuit. Conference has taken him on probation.—Salisbury World.

**Pommelled on the Head With a Rock.**

Walter Morris, the 13-year-old son of O B Morris, of Cannonville, was severely pommelled on the head with a rock in the hands of Frank Christian, a little impudent negro street Arab, this morning. Morris carries water for the hands at the bleachery, and while on his way to the well he was attacked by the negro, who done him up in short order. They were tried before J K Patterson, mayor pro tem, and the decision of the court was for the mother of the negro boy to give him a good thrashing. The negro was being backed by a white boy by the name of Pinion, and did a good job of it.

**A Strange "Bum."**

Salisbury World: Every now and then, in fact, on nearly every train one or more bums are found riding the "blind." But it is seldom that other than men are found beating the railroad out of a fare.

Riding the blind on the vestibule this morning, however, was a large buzzard. It had been hit by the train and its wing hurt. It had then found a perch on the unoccupied blind and remained there until Salisbury was reached. When the train stopped the bird got on the ground and made for the country.
