A Thanksgiving Incident.

Atlanta Constitution: While the people of her town were feasting and giving thanks last Thursday a respectable woman in East Wheeling, W. Va., died of starvation.

The dead woman was found in bed with scarcely enough clothing to cover her. There was neither food nor fuel in the house—nothing but two chairs and a straw bed. Upon investigation it was found that the woman had eaten nothing for days.

The unfortunate had moved to East Wheeling from another town and had been unable to secure employment. Perhaps she was too proud to beg, or it may be that she was unsuccessful. At any rate she died of starvation in this land of plenty, and a Thanksgiving sun dawned upon a pauper's corpse ready for the potter's field.

It is discreditable to our civilization that people who are willing to work for their bread sometimes meet with such a fate.

O Blessed Faith!

Faith is a great thing. Believe you are getting well, and it helps the doctor more than his prescriptions. Believe you will succeed, and you have won half the battle. Believe you are blessed and you will be happy and thankful, even if there are tens of thousands who have more than you.—Biblical Recorder.

Still Hustling.

"Ten years ago," said the contemplative gentleman, "I was a bachelor and hustling for a wife."

"And now?"

"And now I am not only hustling for my wife, but for her mother and two of her aunts."

The young man who knows only a part of it learns more than he who knows it all.

The Year Round

Some Medicines belong to one season and some to another.

DR. KING'S ROYAL GERMETUER IS IN SEASON ALL THE YEAR ROUND.

IN THE SPRING

It purifies the blood, removes languor and depression, invigorates and exhilarates the whole system.

IN THE SUMMER

It overcomes the relaxation and debility caused by hot weather and corrects bowel troubles that are so prevalent then. Besides, it makes the most delightful and refreshing drink.

IN THE FALL

When malaria "rides on every passing breeze," it is the great preventive and the unfailing cure of troubles resulting from that cause.

IN THE WINTER

It is still needed for curing Colds, Grip, Catarrh, Rheumatism, and the ills that belong to cold seasons.

It does these things, not in a feeble and uncertain way, but with assured and triumphant power.
