RIOTERS PLEAD GUILTY.

Anniversary Exercise of the Winston-Salem Y. M. C. A.

Winston, N. C., Dec. 7.—Seventeen negroes who participated in Winston's recent riot and who escaped arrests and trial at the last term of court were arraigned today. Thirteen plead guilty and on motion of the Solicitor they were only taxed with the cost, which aggregated \$16 in each case. Four declined to plead guilty. They will be tried Monday.

Anniversary exercises of the Winston-Salem's Young Men's Christian Association will be held in the First Presbyterian church tomorrow afternoon. The address will be delivered by State Secretary Turner, who pays the Association his first visit. A report of the past year's work will be made by the president.

Mr. William Miller one of Mocksville's best citizens, has lost his mind, and will be sent to Morganton asylum. It is said he attempted to shoot his wife and children a few days ago.

Winston shipped 259,000 pounds of manufactured tobacco this week.

A waiter in a hotel here stole a watch last night. Today he was tried, convicted and sentenced to the county roads. The owner got his time piece.

Understood.

A little girl who attended services at one of the churches of the city Sunday morning heard the minister announce that there would be a meeting of the Christian Endeavor during the evening, which the child did not understand, and when reaching home, crawled into her mamma's lap and said: "What do you think! The preacher said the Christians and devils would meet at our church this evening." The child was very much excited and afraid.

Lloyd's Funeral.

Murderer Lloyd, who was hanged in Chester, S. C., Friday last, was buried Sunday at the Phoenix Mine, in the lower edge of this county. Hundreds of colored people went out to the funeral from all parts of the county. His remains passed through the city Saturday.

Suits Have Come.

The Thompson school football team have their new suits and they are beauts, too. The uniform is comprised of jackets, pants and stockings, colors of which are white and red. The fever is now at its highest.

Lost.

Mr. Thomas Litaker, of No. 4 township, lost a single case purse, containing \$21 this morning. The money was divided into two \$5 bills, ten dollars in silver, one \$1 bill, and ten or fifteen cents in change. It was lost in Cannon's back lot, Brown Bros. Stables, or between town and Farr's store at Forest Hill. Finder will be rewarded by leaving same at this office or delivered to him. 4 d.w.

LEGISLATURE A TIE.

The Democrats Won Yesterday in the Special Election.

LOUISVILLE, Ky., Dec. 7.—The Democrats won today in the special election in the forty-eighth legislative district, sending A. J. Carroll to the Legislature by a majority of 468 over Charles A. Blatz, the Republican nominee. As a result, the Kentucky Legislature is left with a tie on joint ballot and the balloting for United States Senator to succeed Senator Blackburn is likely to result in a deadlock. On joint ballot, the Republicans and Democrats will have 58 votes each, and the Populists two and it is pretty well assured that the Populist vote will split.

The election was a hotly contested one. Carroll had refused his certificate after the November election because of the secret withdrawal of Shreve, the Republican candidate. Carroll, who is ex-Speaker of the House, declared he could not accept an election, carrying with it the least suspicion of fraud and demanded a special election.

The A. P. A. element figured slightly in the day's balloting and several fights resulted, although no one was seriously injured. John Whallen, the Democratic leader in the district, got into trouble at one of the voting places and was unceremoniously pitched into the street, escaping, however, without injury. The police responded to several riot calls but had no difficulty in suppressing trouble.

Where Does It Come From.

It is often that you hear some person ask "where does all the whiskey that is drunk here Saturday nights and Sunday come from?" but it is seldom you hear of any of the "blinds" being raided. An unusual amount of the vile stuff flooded the town Saturday night and it is strange, indeed, that by accident, if not by diligent search, none of the tige's are reported. One certain firm in this city sold fifty-six empty pint flasks Saturday, about eighteen to one certain negro man, and for what purpose could those flasks be used, if not for retailing whiskey. This kind of unlawfulness is becoming a sore on the town, which could and should be broken up, if at all possible.

Marvelous Results.

From a letter written by Rev. J. Gunderman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little interruption and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery; it was quick in its work and highly satisfactory in results." Trial bottles free at Fetzner's drug store. Regular size 50c. and \$1.

THE CORPSE CAME TO LIFE.

Will Recover, Although supposed to be Dead for Two Days.

WILKESBARRE, Pa., Dec. 5.—There was a very much surprised undertaker at Duryea this morning. On Tuesday Mrs. Samuel Roman died and Undertaker Roon, of Pittston, was called in by the family. He measured the body in the usual style, put crape on the door, and this morning, as it was necessary to keep the body until the arrival of some relatives, he prepared to embalm it. He bathed the body with warm water and then applied cold water, when to his surprise and horror the supposed corpse sat bolt upright.

The undertaker did not stay to have a second look, but rushed away. After he reached the street, he regained his senses and kept on to a doctor's residence. A physician hurried to the house and found the woman alive and surrounded by her happy family. She was very weak, but the doctor administered stimulants and says she will live.

The woman was only sick two days and died, or was supposed to have expired, very suddenly. The physician who is now caring for her says she was in a trance.

Excellent Music.

The Episcopal choir rendered some excellent music at the Sunday services. Mr. R. S. Pigott, of Chicago, who sings an exceptionally fine baritone at the morning service sang "Calvary," as a voluntary and as an offertory, "Hark! Hark, My Soul," at the night service he sang "Lead Kindly Light."

Sunday afternoon Mr. Pigott visited the Presbyterian Sunday school and assisted the choir, which rendered some excellent music.

Negro Struck a Judge. SAVANNAH, Dec. 7.—Frank E. Cable, a negro teacher, was arrested Wednesday on a charge of assaulting Judge Hampton L. Ferrall, of the court of ordinary.

The negro was standing by the door of a car on which Judge Ferrall was riding and he asked him to close the door. With an ugly reply he attacked Judge Ferrall, wounding him in the eye. He jumped off the car and escaped.

The negro was released on \$2,000 bond.
