Was taken with LaGrippe and tried all the physicians for miles about, but of no avail and was given up and told could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Fetzer's Drug Store.
